Foreword

We will remember . . .

The 1959-60 school year is nearly history, and through this, your yearbook, we have tried to present a picture of "These things we will remember."

Changes have been made in the physical appearance throughout the book, such as the hard cover, the colored end-sheets and the cover design, for as the times change, so must other elements keep pace.

The year's memories have been pictured and described in a manner that will enable the reader to have a graphic remembrance of the highlights of the school year, the fun, the seriousness and the work.

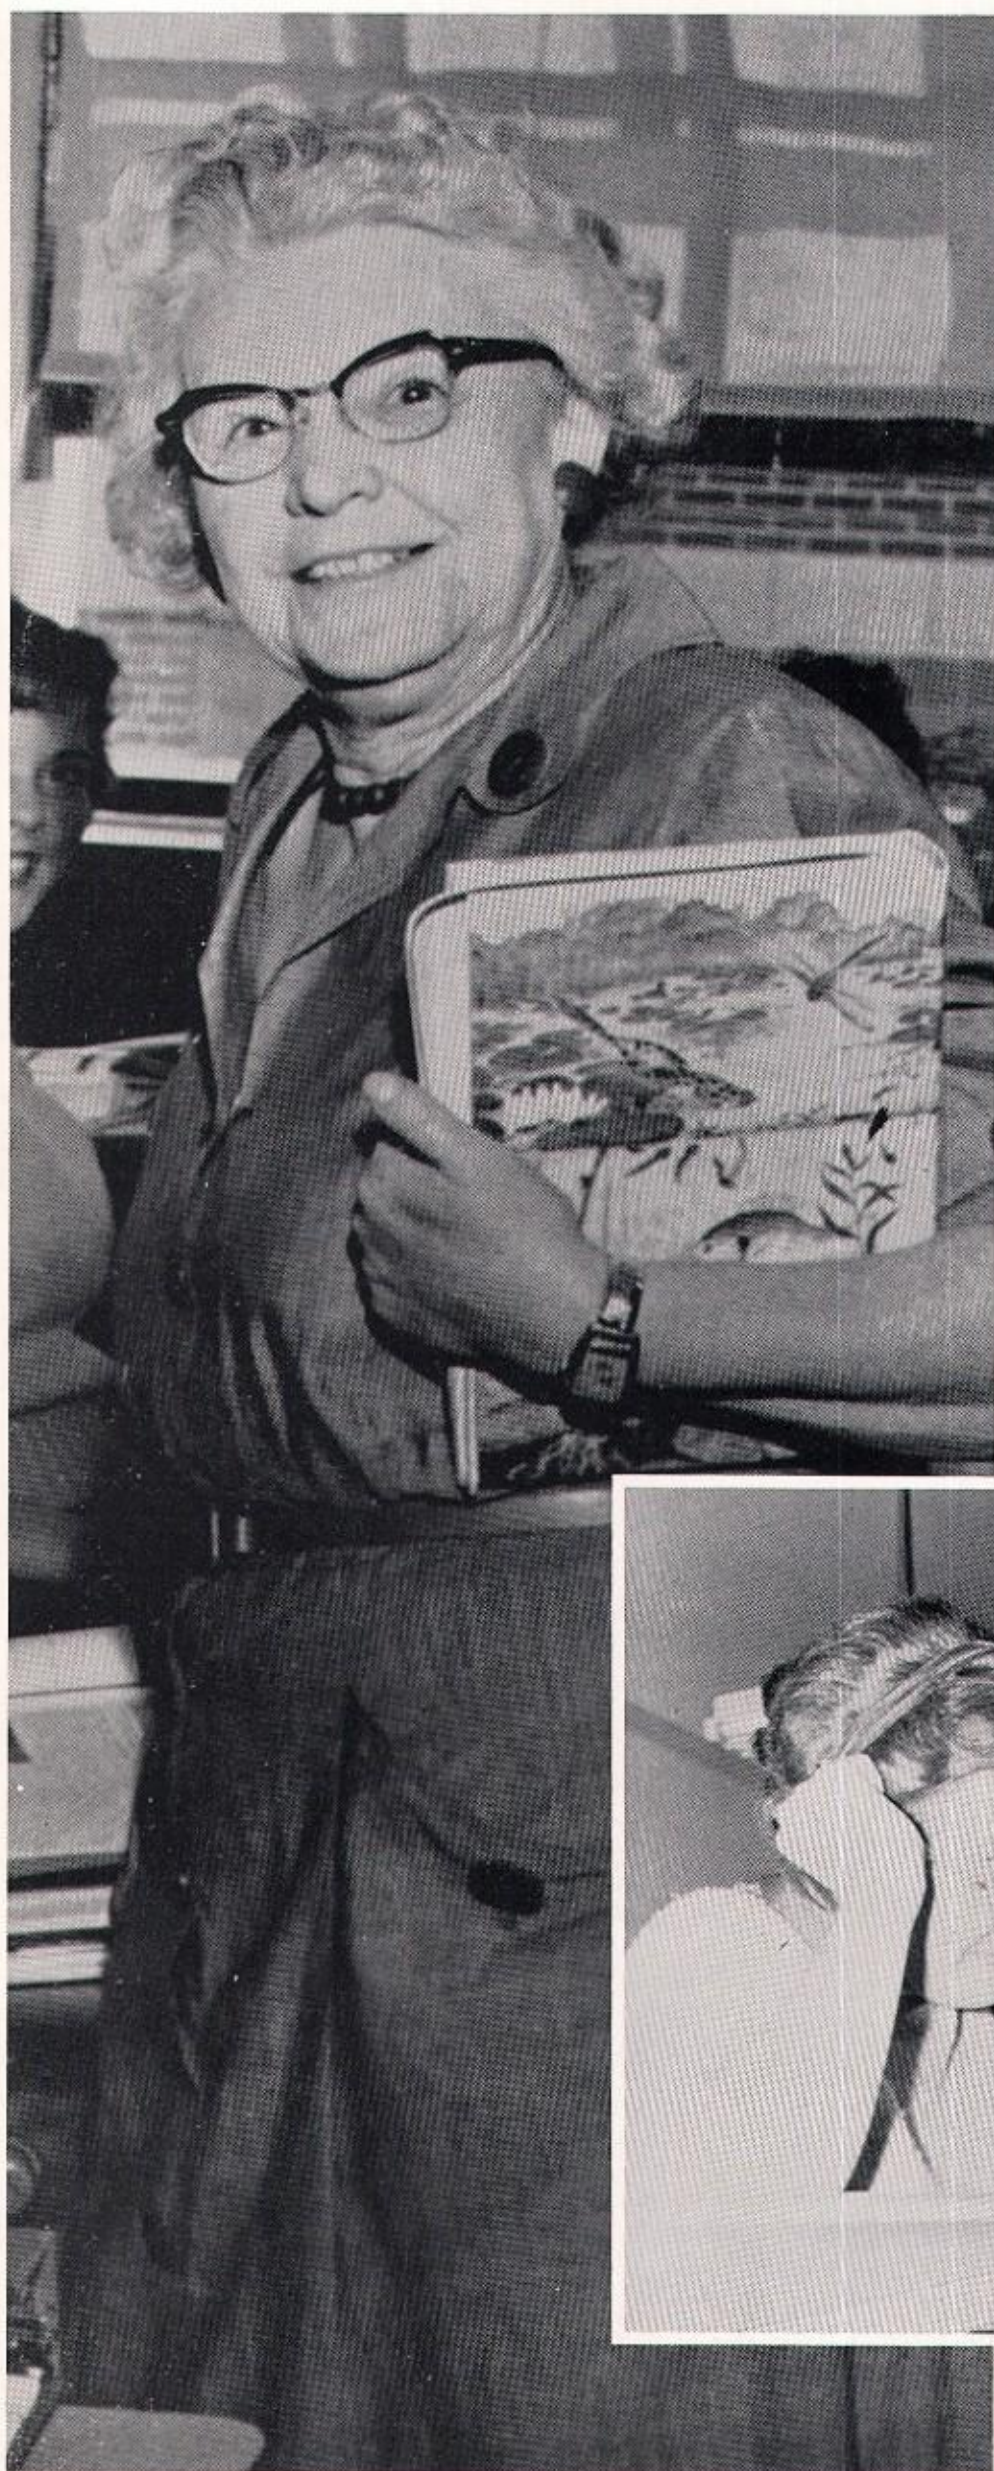

Through this book and its contents, may we always recall "These things we will remember."

Plays Like This . . .

Winning another Big Ten title! What more could a football team ask for? Sporting a record of ten wins and one loss, the Bearcat gridiron heroes provided a season of satisfaction for their fans. Team members earned both individual and statewide recognition.

Pep rallies and decorated halls added to the excitement and confusion on game days. Regardless of the distance, and even when the temperature was below zero, students exhibited their unquestionable spirit by being on hand to boost the 'Cats to the victory and glory they achieved! Lively and loyal Skittens were always around to lend spark to the team. Homeward journeys from out-of-town tilts were the scenes of many laughs and good times and much rejoicing over SHS victories.

Banner Day festivities highlighted the outdoor sport. Trying hours were spent cleverly working the theme "Peace Is Our Goal" into the many floats and decorations. Anxiety, anticipation, surprise and fulfilled hopes were displayed as the royalty were tapped. Following their crowning, they reigned over the day's events, including the pep rally, the parade, the game and the after-game dance. An outstanding victory over Omaha South added the final touch to a successful and long-to-be-remembered Banner Day.

"This is the royalty, couldn't be prouder." Blushing, yet proudly beaming, the Bearcat Banner Day Royalty is invested with honors. Attendants Dick Fabricus and Daughn Dalrymple, Queen Kathy Campbell and attendants Kay Otte and Fred Barfoot smile as Donna Scott crowns King Tim Carleton.

Bring Cheers Like This

Having trouble finding a uniform to fit? Mike Warren has problems removing his shoulder pads.

First-prize-winning Banner Day float, the Dove of Peace, represents many hours of hard work and stuffing wire mesh with napkins by ambitious A Cappella Choir members.

A typical after-game scene is portrayed by this milling crowd as it circulates on the Scottsbluff gymnasium floor. SHS students and fans surge from the bleachers as they rush to congratulate the Bearcat team following the last few seconds of an exciting contest.

Rousing Spirit Reflected in Athletic

"Don't tell anybody, but if we keep cheering I think the 'Cats will win tonight," whispers the S Club Bearcat to cheerleader mascot Pammy Mihane.

Many exciting moments were provided for the student body and townspeople of Scottsbluff by the '59-'60 basketball team. From the minute basketball togs were checked out, the hoopsters received the full support of their fans.

The ever-present spirit of the Bearcats was exemplified at pep rallies and games as the cheerleaders and mascots led yells. "Fight for dear old Scottsbluff" echoed from the bleachers crowded with red-and-white-clad pep club members as the team entered the gym to warm-up.

Huddling around Coach Brown, the squad discussed procedure to be used against its opponents. Cheering crowds urged the 'Cats onward to last-minute winning efforts and suspense-packed overtime periods.

"Rah, rah, rah, sis boom bah!" shouts Bill Popp as he portrays SHS cheerleader Sue Stewart at the S Club skit, presented this year for the first time.

Events by Students

"Time's running out; work for the last shot," Coach Warren Brown instructs his squad as they huddle to discuss game tactics during a time-out.

"Should I cut it here?" inquires Mr. Warren Brown as he cuts the cake during the celebration in honor of Christopher Columbus, which was one of three parties conducted for famous deceased Americans by an American History class.

Festivities, Posters,

Parties for famous deceased Americans, cats ambling into classrooms and varied decorations added a tinge of variety to the routine of our schooling. These events were the topic of discussion as we gathered in the halls before and after school to meet our friends.

Christopher Columbus, Abe Lincoln and George Washington were among the honorees in an American History class, while cake, poetry, skits and fond tributes provided the variety in the festivities.

Skittens members decorated the school before all major athletic contests.

Cats, dogs and the engineers who installed the automatic fire alarm system were among the frequent visitors to our school during the year.

These incidents have provided some of the humor in the year's events and are experiences we will remember.

The halls are filled during the day with bustling students who

review the past experiences and make plans for parties, athletic events, out-of-town trips and other school life activities.

Distributing a special issue of the Echoes on the first day of school is a practice that has been established during recent years at Scottsbluff.

AFS Exchange Student to Pescara, Italy, Lynna Travelute, poses with her Italian father, Michele Balice, during a regular school session. Lynna was the first SHS student to go abroad for a semester of study in a foreign school. She returned to SHS in January.

A Presidential hopeful, Senator John Kennedy, appeared in Scottsbluff during his campaign. He was interviewed by Echoes staff members Gary Lacey, Patty Lane and Daughn Dalrymple during his regular press conference prior to the Democratic rally at which he spoke.

Honors, Achievements, World Travels

Recognition has been achieved at SHS in many fields. Honors and awards have been accepted in many special activities.

Travels abroad have been experienced both by students and instructors. Dr. Lauren Schwisow, superintendent of Scottsbluff schools, was one of thirty educators chosen to tour Russia. His trip, in the fall of 1959, consisted of visits to Russian schools and points of historical interest. At a school assembly, senior high students viewed slides and listened to an account of the trip by Dr. Schwisow.

"All in all, I learned a great deal from my trip and I wish I could have stayed much longer," stated Lynna Travelute, recent AFS exchange student. Lynna lived in a foster home in Pescara, Italy, for six months.

The Scottsbluff publications department had a very active year. Students looked forward to receiving their copies of the Echoes, the school paper, every other Friday. Staff members met during the late summer in order to publish a special issue of the paper to be distributed on the opening day of the fall term. Staff members reported on such important visitors as presidential hopeful John Kennedy and the president of the National Council of Churches, Dr. Edwin Dahlberg.

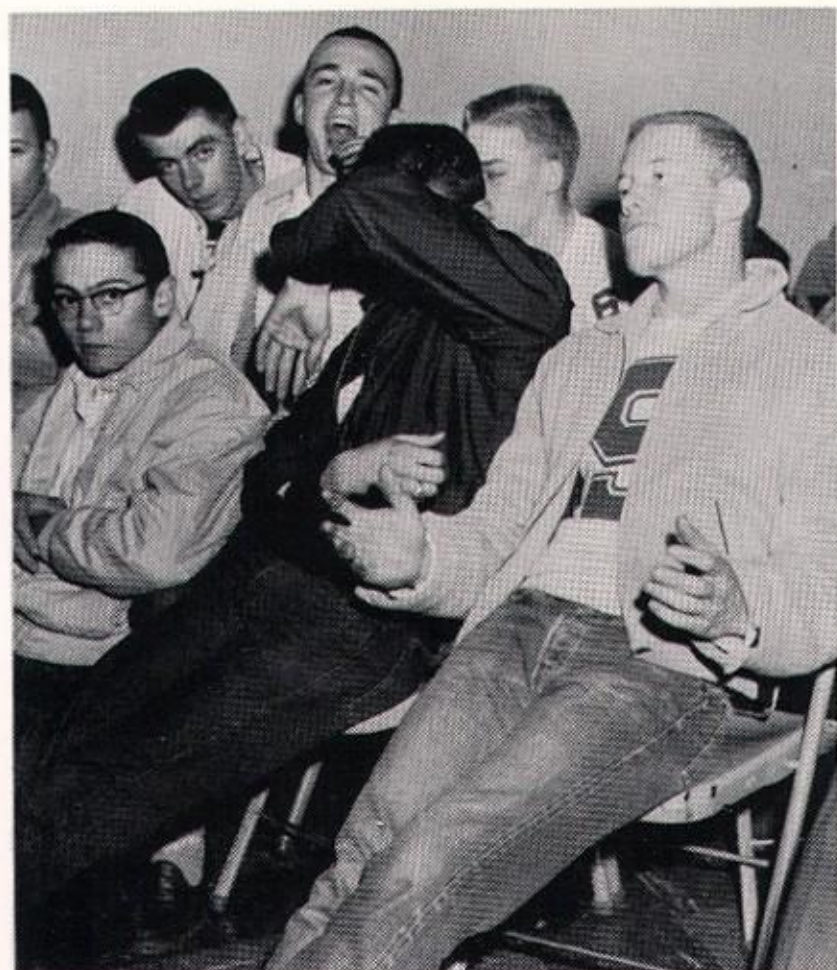

Bringing home the state yearbook trophy, awarded by KMTV of Omaha and the Nebraska High School Press Association, made the trip to State Press Convention well worthwhile. This accomplishment also gave the 1960 staff a goal to work for.

Heavy, isn't it? Bluff editors Barbara Schmidt and Sue Stewart proudly accept the state trophy for the '59 yearbook.

"We've got the best team," exclaims Mr. Leo Stangle in his pep talk at the rally before the Big Ten game with Norfolk.

Fun and frolic amid seriousness provided the needed break in the routine of study and work during the year.

Band members prepared precision drills, concerts and a stage show as well as taking time for clowning.

Coaches and game captains aroused an enthusiastic spirit in the Bearcat fans by their speeches at the pep rallies preceding all home games.

Spanish students provided an evening of hilarious comedy and rich, tangy food at La Fiesta Mexicana. Spanish music, dances and a pinata were highlights of the party.

After-game dances were patronized by loyal Bearcat rooters who gathered in the cafeteria to relive the thrilling moments of the game. Some stood and watched; others eagerly awaited the chance to dance.

Study, study, study, but then a break with the after-hour capers.

"Muy bueno!" exclaims Senor Gary Lacey after having finished his goodies at the Spanish classes' presentation of La Fiesta Mexicana.

Dr. Lauren Schwisow has been superintendent of the Scottsbluff school system for the past two years, after serving as an instructor, coach and vice-principal in this system.

This year he was one of 30 administrators in the United States chosen to tour Russia and inspect the schools there. He left New York City Oct. 3 and made stops at Copenhagen, Denmark, and Helsinki, Finland. In Russia, stops were made in Leningrad, Moscow, Tbilisi and Kiev. Besides visiting schools, visits were made to the Kremlin, Pavlov Institute and the Lenin-Stalin Mausoleum in Red Square.

Working with the school board, he takes care of administrative problems and hires all teachers and personnel. One of his biggest jobs is helping to plan the new high school and grade schools.

Schwisow Tours Russia; Reeves, Mihane

BOARD OF EDUCATION—Members who can be identified around the table beginning at the left are C. Lowell Abbott, treasurer; Dr. Lauren Schwisow, superintendent; Dr. John P. Heinke, vice-president; Dr. Frank T. Herhahn, and Mrs. Lowell Wilks, president. Other members are Ivan F. Childs and Robert G. Simmons, Jr.

MR. HAROLD REEVES has reached the high position of Principal of SHS after being Vice-Principal for one year and Dean of Boys for three years. With patience and hard work, he has put in long hours trying to overcome the crowded conditions in school. He is a consultant for all students and teachers.

Fill Top Positions

Members of the Board of Education serve the community by formulating the policy of the school. It covers many different things—policies directly affecting the Board of Education, pupils, employed personnel, school property and purchasing.

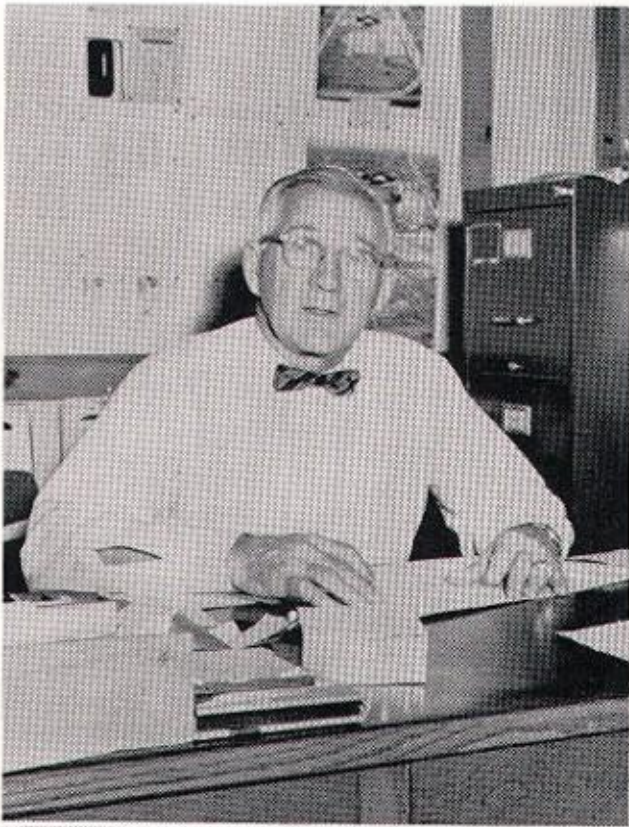

Some of the specific regulations are that a new pupil should present evidence of attendance and progress at a school previously attended, newspaper and annual staffs may solicit advertising from business firms, school organizations may engage in money-raising projects, teachers must be at school one-half hour before school begins and one-half hour after it closes and special rates are set up for use of the auditorium, cafeteria and gym.

These policies are set up to provide a consistency despite changes in personnel and to show that the citizens of Scottsbluff have a right to know school procedures. School board members work many hours without pay to provide and control an effective school system.

MR. TOM MIHANE, the new Vice-Principal of SHS, started his teaching career here when this year's seniors were seventh graders. Through these six years he has advanced with them and has counseled them whenever they needed help. He teaches one Seventh Grade social studies class and sponsors Student Council.

Counseling Students,

MR. LEO STANGLE is Director of Activities at SHS. His job is to schedule all activities, meetings or programs that take place at Scottsbluff High School. He also teaches one class of Driver Education and is head sponsor of "S" Club.

MR. LAWRENCE LEMONS, former Principal of SHS, has taken the new position of Director of Instruction. The position has been created to coordinate the curriculum in all the grade schools so that all children will have the same background when they start high school.

MRS. MARGARET JONES, as Dean of Girls, spends her time checking on the absentees and counseling junior high and high school girls. She also teaches senior English and sponsors Student Council and Teen Queens.

MR. BERNARD GOERKE is Assistant Superintendent in charge of business affairs. He takes over in the absence of the Superintendent and does all the buying of school supplies for the grade schools, high school and junior college.

MR. KENDALL MASSIE teaches one class of Refresher Arithmetic besides being the newly appointed Dean of Boys. He sponsors Student Council and National Honor Society and is head sponsor of the Senior Class. Each year he runs the scoreboard for all football and basketball games.

Activities Is Duty of Administration

Vice-Principal Tom Mihane talks to seniors Carole McClure and Kathy Bindschadler about the results of the aptitude tests given when they were juniors.

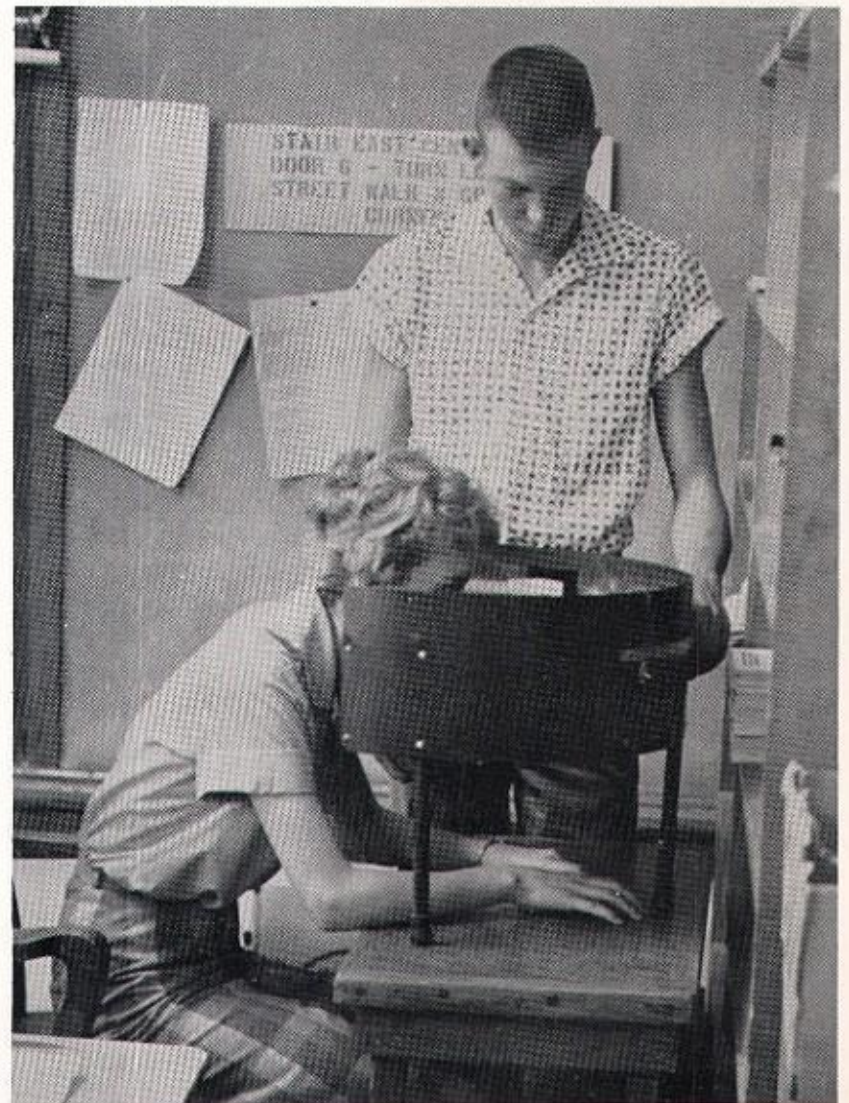

Any student in school who needs to be counseled about a school problem or who wants information about college or scholarships may consult the Principal, Vice-Principal, Dean of Boys or Dean of Girls.

Each of these four people is always ready to talk to any student who wishes help.

In high school, choosing elective subjects is one of the biggest problems. After talking with Principal Harold Reeves, a student will find he must choose his subjects according to what he plans to do after he graduates. English and social studies courses are required, but varied math, science and language courses may be taken.

Vice-Principal Tom Mihane is in charge of giving all scholarship tests. He helps and advises seniors taking Regents exams and college entrance exams. He also keeps information about colleges and universities, their requirements, size and facilities.

Dean of Girls Margaret Jones and Dean of Boys Kendall Massie help new students to adjust in the junior high or high school. They also help any student with problems he has at school or at home.

Music in junior high consists of singing fun songs, learning how to read music and reading about famous composers. The "C" Band provides first experiences in marching for the junior high.

Senior high school students may participate in many musical groups. Those interested in band may be in "B" Band and with hard work can advance into "A" Band.

Numerous vocal groups give students a chance to further their musical knowledge. They may be in A Cappella Choir after being in Tower Singers, Bearcat Chorale or Freshman Girls' or Boys' Glee.

Shop teaches junior high boys to work with their hands as they learn the basic processes of woodworking. Industrial Arts gives the boys an opportunity to work on special projects.

Leaders Guide

We began our high school career as timid freshmen. As time passed and we became sophomores, we began to realize our responsibilities. Confidence grew within us as we grew older and as we took our place as upperclassmen.

Much time and discussion went into the choosing of our class colors, motto and flower. Our Senior Class chose green and gold as its colors, and our class flower was a gold rose. "Spend your time wisely, for the vibrant shades of youth soon blossom into the golden years of age," was the class motto.

We, as graduates, marched down the aisle with the thought that this would be the last time that our class would be together. Our graduation was the finale of our high school career. Our final year was over and the reality of it was sad, and yet at the same time it was a good feeling to look back and see our accomplishments.

SENIOR SPONSORS—Mrs. Shirley Purtzer, Mr. Leon Stone, Mr. Kendall Masie, Mr. Harlan Blome.

Junior class members pitch in to help sell candy, pop and gum at a Scottsbluff football game as a means of raising money necessary for the activities carried out by the class during the year. Business seems to be at its peak as stand sellers Barbara Standard, Marilyn Nagel and JoAnn Frey work speedily trying to handle the hungry Bearcat fans during the game's halftime. It has been a tradition for the juniors to handle all selling.

Hungry looks can be seen on the faces of junior girls as they eagerly await their turns in the cafeteria line. Students are dismissed at noon by means of a bell system similar to that used in the past. Grades are in two groups, freshman and sophomore, and junior and senior. The groups alternate their lunch hours from week to week. The junior high has its own lunch period, an hour later, to help settle the rush problem and get students to class on time.

In Addition to Required Academic Subjects,

Members of the Sophomore Class learn techniques of bandaging as a part of their nine weeks first aid course, which many times has proved to be very beneficial to students when emergencies arise. Elaine Kaufman demonstrates the correct procedures of applying an arm sling bandage to victim Marv Dike. Darold Henry watches enviously while other interested class members gather around to check and observe, making corrections when the cravat is in place.

Freshman girls release stored up energy as they participate in a wild game of basketball. Joan Schneider guards Lynn Montz as she attempts to make a pass. The other players are Delores Gonzales, Sandra Barr, Jeannie Murrillo and Kathleen Cline. Basketball is just one of the many sports the frosh enjoy during their gym period. This class alternates from week to week with health education in which the students learn how to care for themselves physically.

the Mental and Moral Training of the Mind

"Little Red Beatnik," patterned after the fairy tale "Little Red Riding Hood," was the pantomime presented by Georgia Hiner and Chuck Brown for the purpose of entertaining their classmates during the first semester Eighth Grade party. Imagination played an important part in this act as the performers' only props were their costumes. The remainder of the evening consisted of other original acts given by various students, dancing and refreshments.

The Student Voice

Ann Forsberg, 1959-60 foreign exchange student from Angleholm, Sweden, smiles as she looks out the window of the home of her foster parents, Dr. and Mrs. Clarence Sorensen. Student Council brought Ann here through the American Field Service Program. Her activities for the year consisted of Senior Class vice-president, Student Council, Nike, Skittens, FTA and Teen Queens. Ann's father, Dr. Sven Forsberg, who visited here for a week, was guest speaker at the annual Student Council-Faculty Tea. Ann's twin sister, Eva Kristina, is also a foreign exchange student in Albuquerque, New Mexico.

Glancing through the articles of the Student Council paper, entitled "Council Crier," are the officers, Galen Schwaner, treasurer; Gary Harris, president; Lorraine Harris, vice-president, and Patty Rose, secretary.

SPONSORS—FRONT ROW: Mrs. Margaret Jones, Mrs. Ruth Nichols, Mrs. Katy Hawkins. SECOND ROW: Mr. Tom Mihane, Mrs. Estelle Schuman, Mr. James Mansfield. THIRD ROW: Mr. Harold Reeves, Mr. Larry Lemons, Mrs. Georgene Diers, Mr. Ted Tow. BACK ROW: Mr. Harold Nelson, Mrs. Clara Muehlberger, Mr. Kendall Massie, Mr. Les Jones.

Is Represented Through Student Council

Student Council's main purpose is to work with the administration and faculty in promoting good behavior of the student body and the care of the buildings and campus.

Compiling Student Directories, selling programs at football games and conducting Seventh Grade elections were among the first projects of the council. Banner Day centered around a pep rally, crowning of the royalty, a parade in which prizes were given to the three top floats, a football game and after-game dance.

Nine members and two sponsors of the council attended the State Student Council Convention in Grand Island in order to learn more about Student Council functions. Share the Fare and "Home Sweet Homicide" were the main fund-raising projects for next year's foreign exchange student. Other projects consisted of parking lot patrol, Courtesy Day and junior high after-school dances.

After a regular Student Council meeting, individual committee meetings are held to discuss ideas ahead of time. Council President Gary Harris is standing at the head of the table.

D E Members Work During School Time

Fifteen members of the Distributive Education Club represented Scottsbluff at the State DE Convention in Lincoln in March. To raise the bulk of their funds, the girls conducted a bake sale and the boys chopped and sold fire wood.

Another highlight of the school year was the Delegate Assembly held in Lincoln. Problems of retail business were discussed.

Discussing plans, making arrangements and considering minor details for the State Distributive Education Convention held in Lincoln are officers Tom Schick, vice-president; Joanne Mitchell, treasurer; Don Knaub, Student Council representative; Mr. Harold Nelson, sponsor; Bill Leis, secretary, and Larry Hartwig, president.

The Echoes Staff Distributes News of

Checking errors in ad arrangement for page six of the Echoes are News Editor Gary Lacey and Advertising Manager Carol Huber.

Feature Editors Daughn Dalrymple and Patty Lane busily work to plan copy for pages two and three. Their duties include writing humorous and informative articles and various interviews for the inside pages.

Circulation Manager Karen McPherson and Business Manager Kay Pieper prepare editions of the Echoes for circulation to approximately 100 high schools throughout the United States. They also help in advertising.

School to Students

The Echoes, published bi-weekly, gives Advanced Journalism students the opportunity to gain experience in basic newspaper procedures.

The nine-person staff writes and edits the copy for the six-page tabloid. The printing and producing of the paper is done by the Scottsbluff Daily Star-Herald job department.

An eight-page Christmas edition contained a picture page along with special features. Fifteen hundred copies of the paper are distributed seventeen times yearly to members of the student body holding activity tickets.

Duties of staff members include contacting officers and sponsors of clubs, organizations and the administration to gather school news.

A portion of the money for publishing the paper is received from the activity fund, and the rest is obtained by selling ads to various business firms.

Checking the activities calendar for possible stories are Editor-in-Chief Bob Englund and Associate Editor Georgia Whitman. They copyread all pages before they are sent to the printer and oversee all proofreading.

Echoes Advisor Ted Tow looks over a recent edition of the school paper. Through his supervision and the staff's efforts, the Echoes was published every other Friday. After each issue, he grades each staff member's work.

Bonnie Benda, sports editor, checks details about a reserve basketball game with Coach Doug Chappell. Bonnie writes all copy for the two sports pages. In addition, she writes a by-lined column entitled "Slivers From the Bench."

Bluff Staff Members

A check of the triplicates and last-minute adjustments in copy and layouts are being made by Senior Class Editor Joyce Baker (standing) and Underclass Editors Pam Gray and Kay Otte before being approved by the editors.

Sports Editor Gary Lacey, Activities Editor Patty Rose and Organizations Editor Daughn Dalrymple work diligently typing cutlines and copy on their triplicates to meet the deadlines on their sections.

Concentration became an important factor in the preparation of the 1960 Bluff. Pondering a few minutes for ideas are Associate Editor Susan Stewart, Faculty Editor Georgia Whitman, Editor-in-Chief Barbara Schmidt and Adviser Ted Tow. Mr. Tow explains various styles of possible layouts for use in the faculty section. The editors' duties for the year consisted of checking all material prepared for each section, planning the opening pages and division pages and the school life section.

Portray School Year Through Pictures

Photographers for both the Echoes and Bluff staffs are Art Junge and Larry Nelson. Their work on both staffs consisted of many hours of picture taking and developing.

"Don't feel bad, Donna! We sold over 1100 annuals." Sharleen Shirley and Donna Root count the Bluff sales for the year.

Striving to have the best yearbook ever, the Bluff staff met during the summer months in order to complete the advertising section for the September 1 deadline.

Throughout the year each member worked on his own section making layouts, writing copy and assigning pictures. The entire staff worked as a unit devoting extra time and effort to meet the pressing deadlines. The key word to success was cooperation and everyone learned as the year progressed.

The Bluff provides not only a memorable record of the 1959-60 school term but also gives the staff an opportunity to make use of correct journalistic procedures that were taught in the beginning journalism class. To become a member of a staff, an individual must have satisfactorily completed the General Journalism course during his junior year.

Staff members made significant changes in the annual this year, including a non-padded cover and colored end sheets.

It is the hope of the staff that the 1960 Bluff will achieve a high journalistic rating and will meet the approval of the general student body. Minor changes are wider margins and more white space.

Music Editor Jan Grubbs assists Business Manager Carolyn Sorensen and Advertising Manager Karen Richard in checking the financial records of the staff.

THESPIANS OFFICERS (clockwise): Gary Lacey, treasurer; Sharon Huston, Student Council representative; Larry Nelson, vice-president; Susan Everett, corresponding secretary; Carolyn Sorensen, recording secretary; Bonnie Meisner, historian; Bonnie Benda, president.

the Theatrical Arts

Student Directors Larry Carpenter and Bonnie Benda assist in the direction of the student plays. Their duties are to help actors with their parts and to follow the script.

"Act well your part, for there the honor lies."

This is the motto of Thespians Troupe 819, an honorary society for students interested in the dramatic arts.

Each prospective member must have obtained 100 hours of acting experience or crew labor in order to be eligible for membership and also must pass an informal initiation to the satisfaction of present members. Thirteen members were added this year.

A three-act comedy, "Home Sweet Homicide," was presented Dec. 1 as the first all-school play of the year. Student Council co-sponsored the play. A second play, "A Connecticut Yankee in King Arthur's Court," was given Feb. 17 and 18 by Thespians and the Junior Class to raise money for the class fund. A cutting of "Pygmalion" was taken to both district and state contests.

Thespians sponsors, Mrs. Katy Hawkins and Mrs. Jeanne Westervelt, appear to be enjoying themselves as they direct actors in an all-school play. They spend many hours working with students to make the productions successful.

'Home Sweet Homicide'

Cast members Wilmer Kirschman (Bill), Bradley Besaw (Mr. Cherington), Carolyn Sorensen (Polly Walker) and Dave Barfoot (Cleave Calahan) talk over their parts as Wilmer displays his gun.

"Poor fellow, I don't know how long he's been out here. He must have been shot. I almost tripped over him coming through the bushes." Wilmer Kirschman and Larry Nelson carry Larry Kinley (Wally).

"Betcha you can't tell what kind of a gun it came out of?" "You can so, can't you?" "He's a very smart detective." "This bullet was fired from a thirty-two caliber revolver." Jimmy Loos (Sluke), Larry Nelson (Sergeant O'Hara), Jon Steffen (Flashlight), Larry Loos (Archie).

Is First All-School Play of the Year

"A scream from the Sanford house! Oh, boy! Maybe another murder has been committed!" "Gosh, I wonder who it is this time? Wouldn't it be great if we could catch the murderer right in the act?" Sandy Stewart (Marion), Barbara Hartung (Dina), Wilmer Kirschman (Bill), Sharon Huston (April).

"Home Sweet Homicide," the first all-school play of the year, was presented Dec. 1. Student Council combined with Thespians to produce the play. Profits went to the Student Council Foreign Exchange Fund.

"Home Sweet Homicide" is the story of a fatherless family of three. April (Sharon Huston), the youngest daughter, wants her mother (Sandy Stewart), a mystery story writer, to remarry so she and her brother Archie (Larry Loos) and older sister Dina (Barbara Hartung) will have a father.

When a murder takes place next door and a handsome detective (Wilmer Kirschman) comes to investigate, the children see their chance to solve it and marry off their mother at the same time.

The children first suspect beautiful starlet Polly Walker (Carolyn Sorensen), but their suspicion shifts to Mrs. Cherington (Mary Peshek) and later to Frankie Riley (Gary Lacey), a racketeer.

"You'll have to keep your eyes closed, Wilmer," says Lorraine Harris as she carefully puts make-up on Wilmer Kirschman before the performance.

To train students in the radio field and to teach the fundamentals of broadcasting are the general purposes of Radio Production.

At the end of the year Operation High School is conducted by the group at a local radio station.

Projectionists Offer

The audio-visual club kept busy this year running films, operating spotlights, stage lights and the record player for after-game dances and class parties.

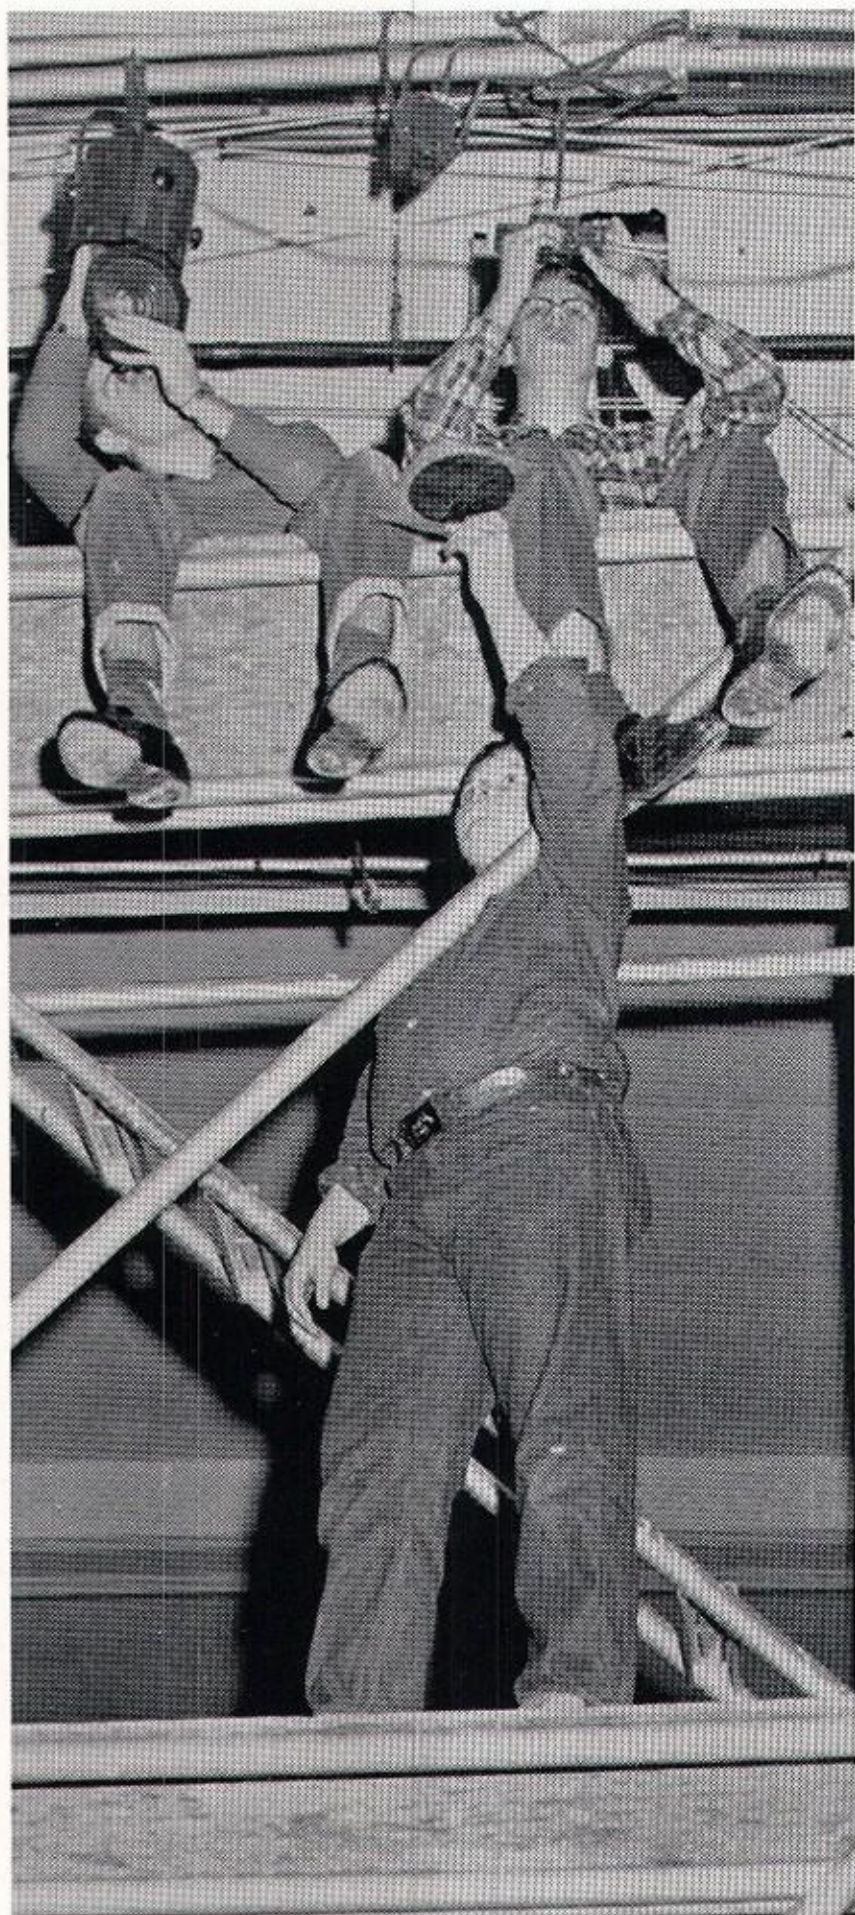

An electric basketball foul indicator was planned, wired and constructed by the group as a special project. Members of the club devote a great deal of time and service to the school and individual classrooms while learning to operate and use the various machines.

Each member of the club must take a test before operating any of the equipment. At the end of the year, each boy receives credits according to the work accomplished.

Debate Club Speaks;

DEBATE OFFICERS—Sid Harper, treasurer; Ed Overstreet, vice-president; Jo Ann Rogers, secretary; J. D. Sheaff, president; John Reiser, Student Council representative.

For several years many students have tried but failed to organize a debate club in our school. This goal was finally accomplished this year. Members of the club were chosen on the basis of scholastic ability and their genuine interest in debate work.

Federal and state taxes, the Taft-Hartley labor law and how much stress should be placed on athletics in our school were a few of the topics discussed.

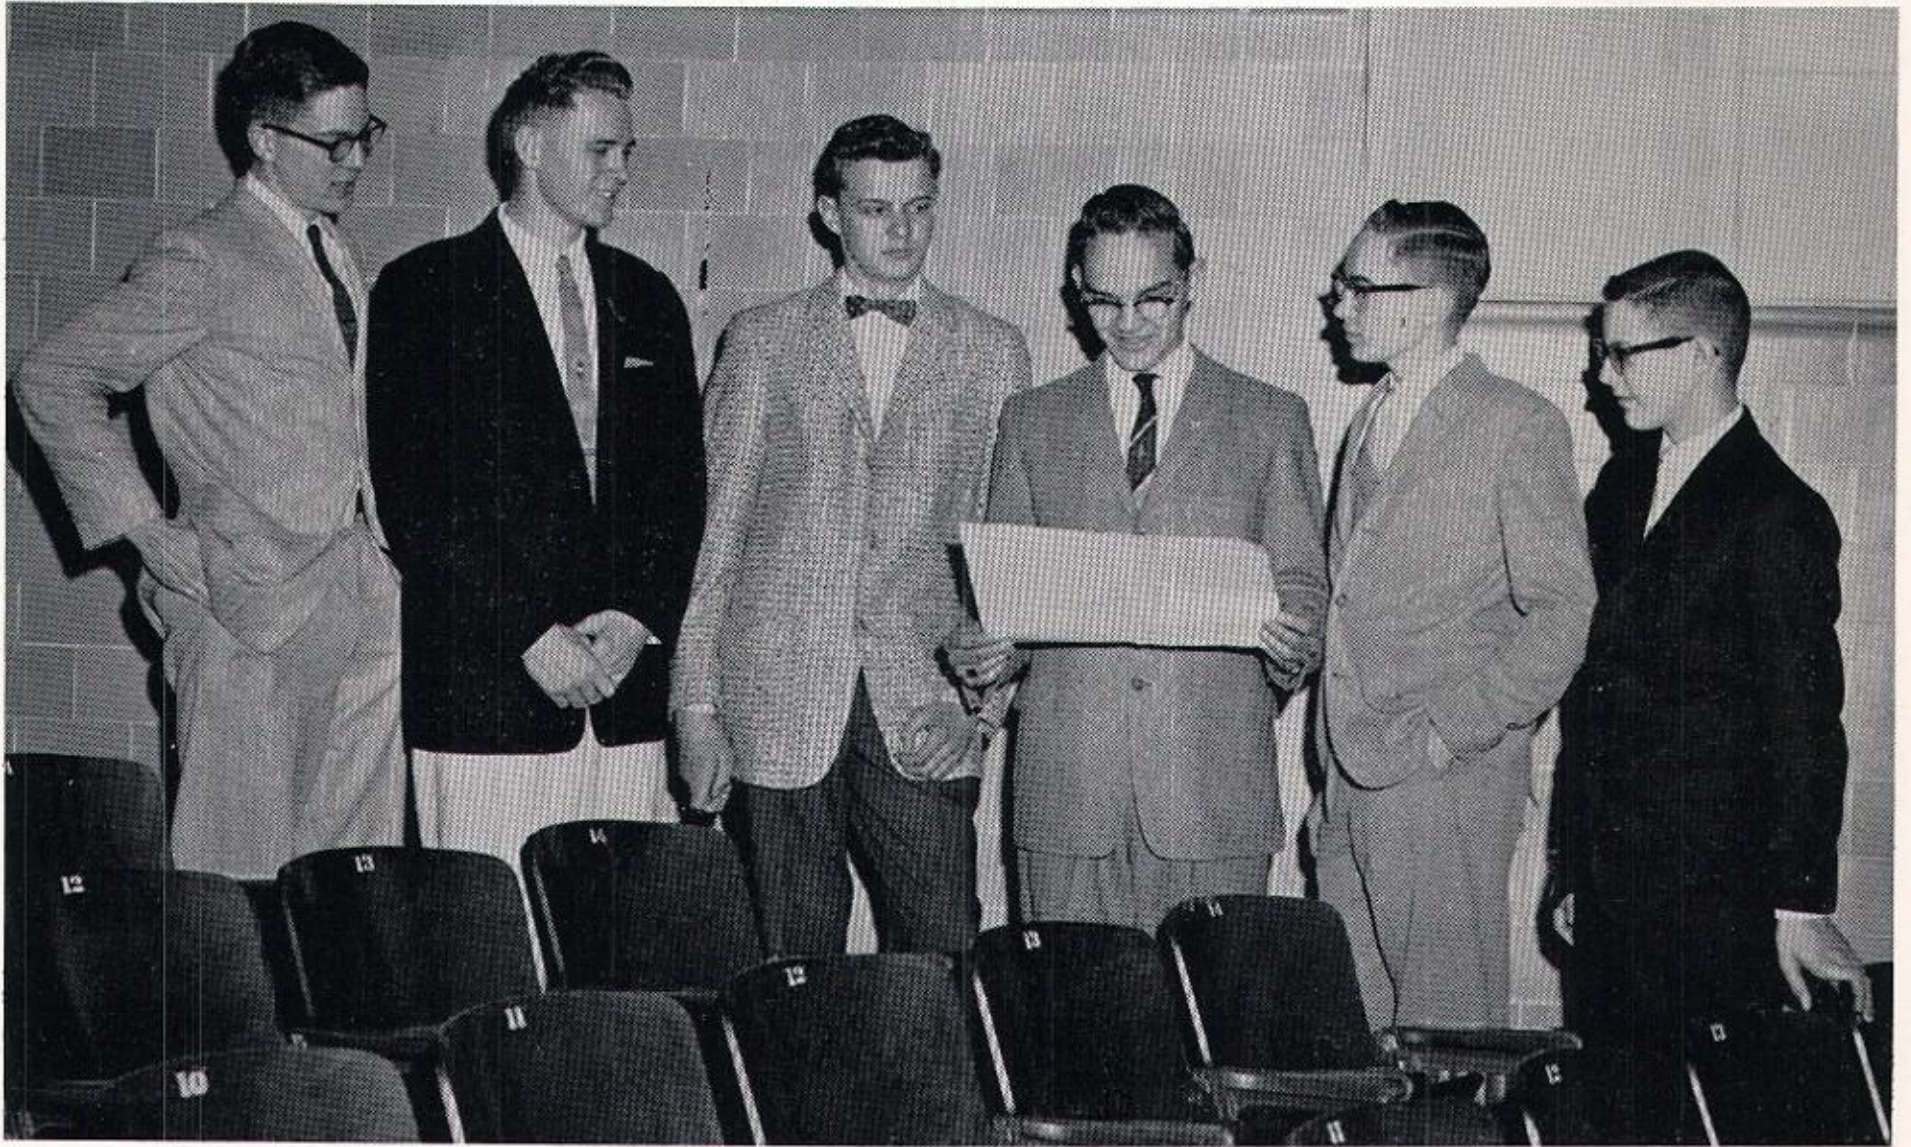

It is believed that through the club the participants can improve their public speaking ability and become acquainted with the fundamentals of parliamentary procedure.

Mrs. Katy Hawkins and Mrs. Jeanne Westervelt officially sponsor the group.

Dependability and citizenship are important factors that go into the selection of the six boys who serve as ushers. Chairman Mrs. Ethel Pflug selects students who are not engaged in any other activity.

Members are expected to serve for any performance in the auditorium whenever such services are required. In return for their services, each member is given one and one-fourth credits for each semester of satisfactory service.

Mrs. Ethel Pflug, Mrs. Jeannette Shehein, Miss Edith Meyers and Miss Alice Carter are sponsors of the ushers.

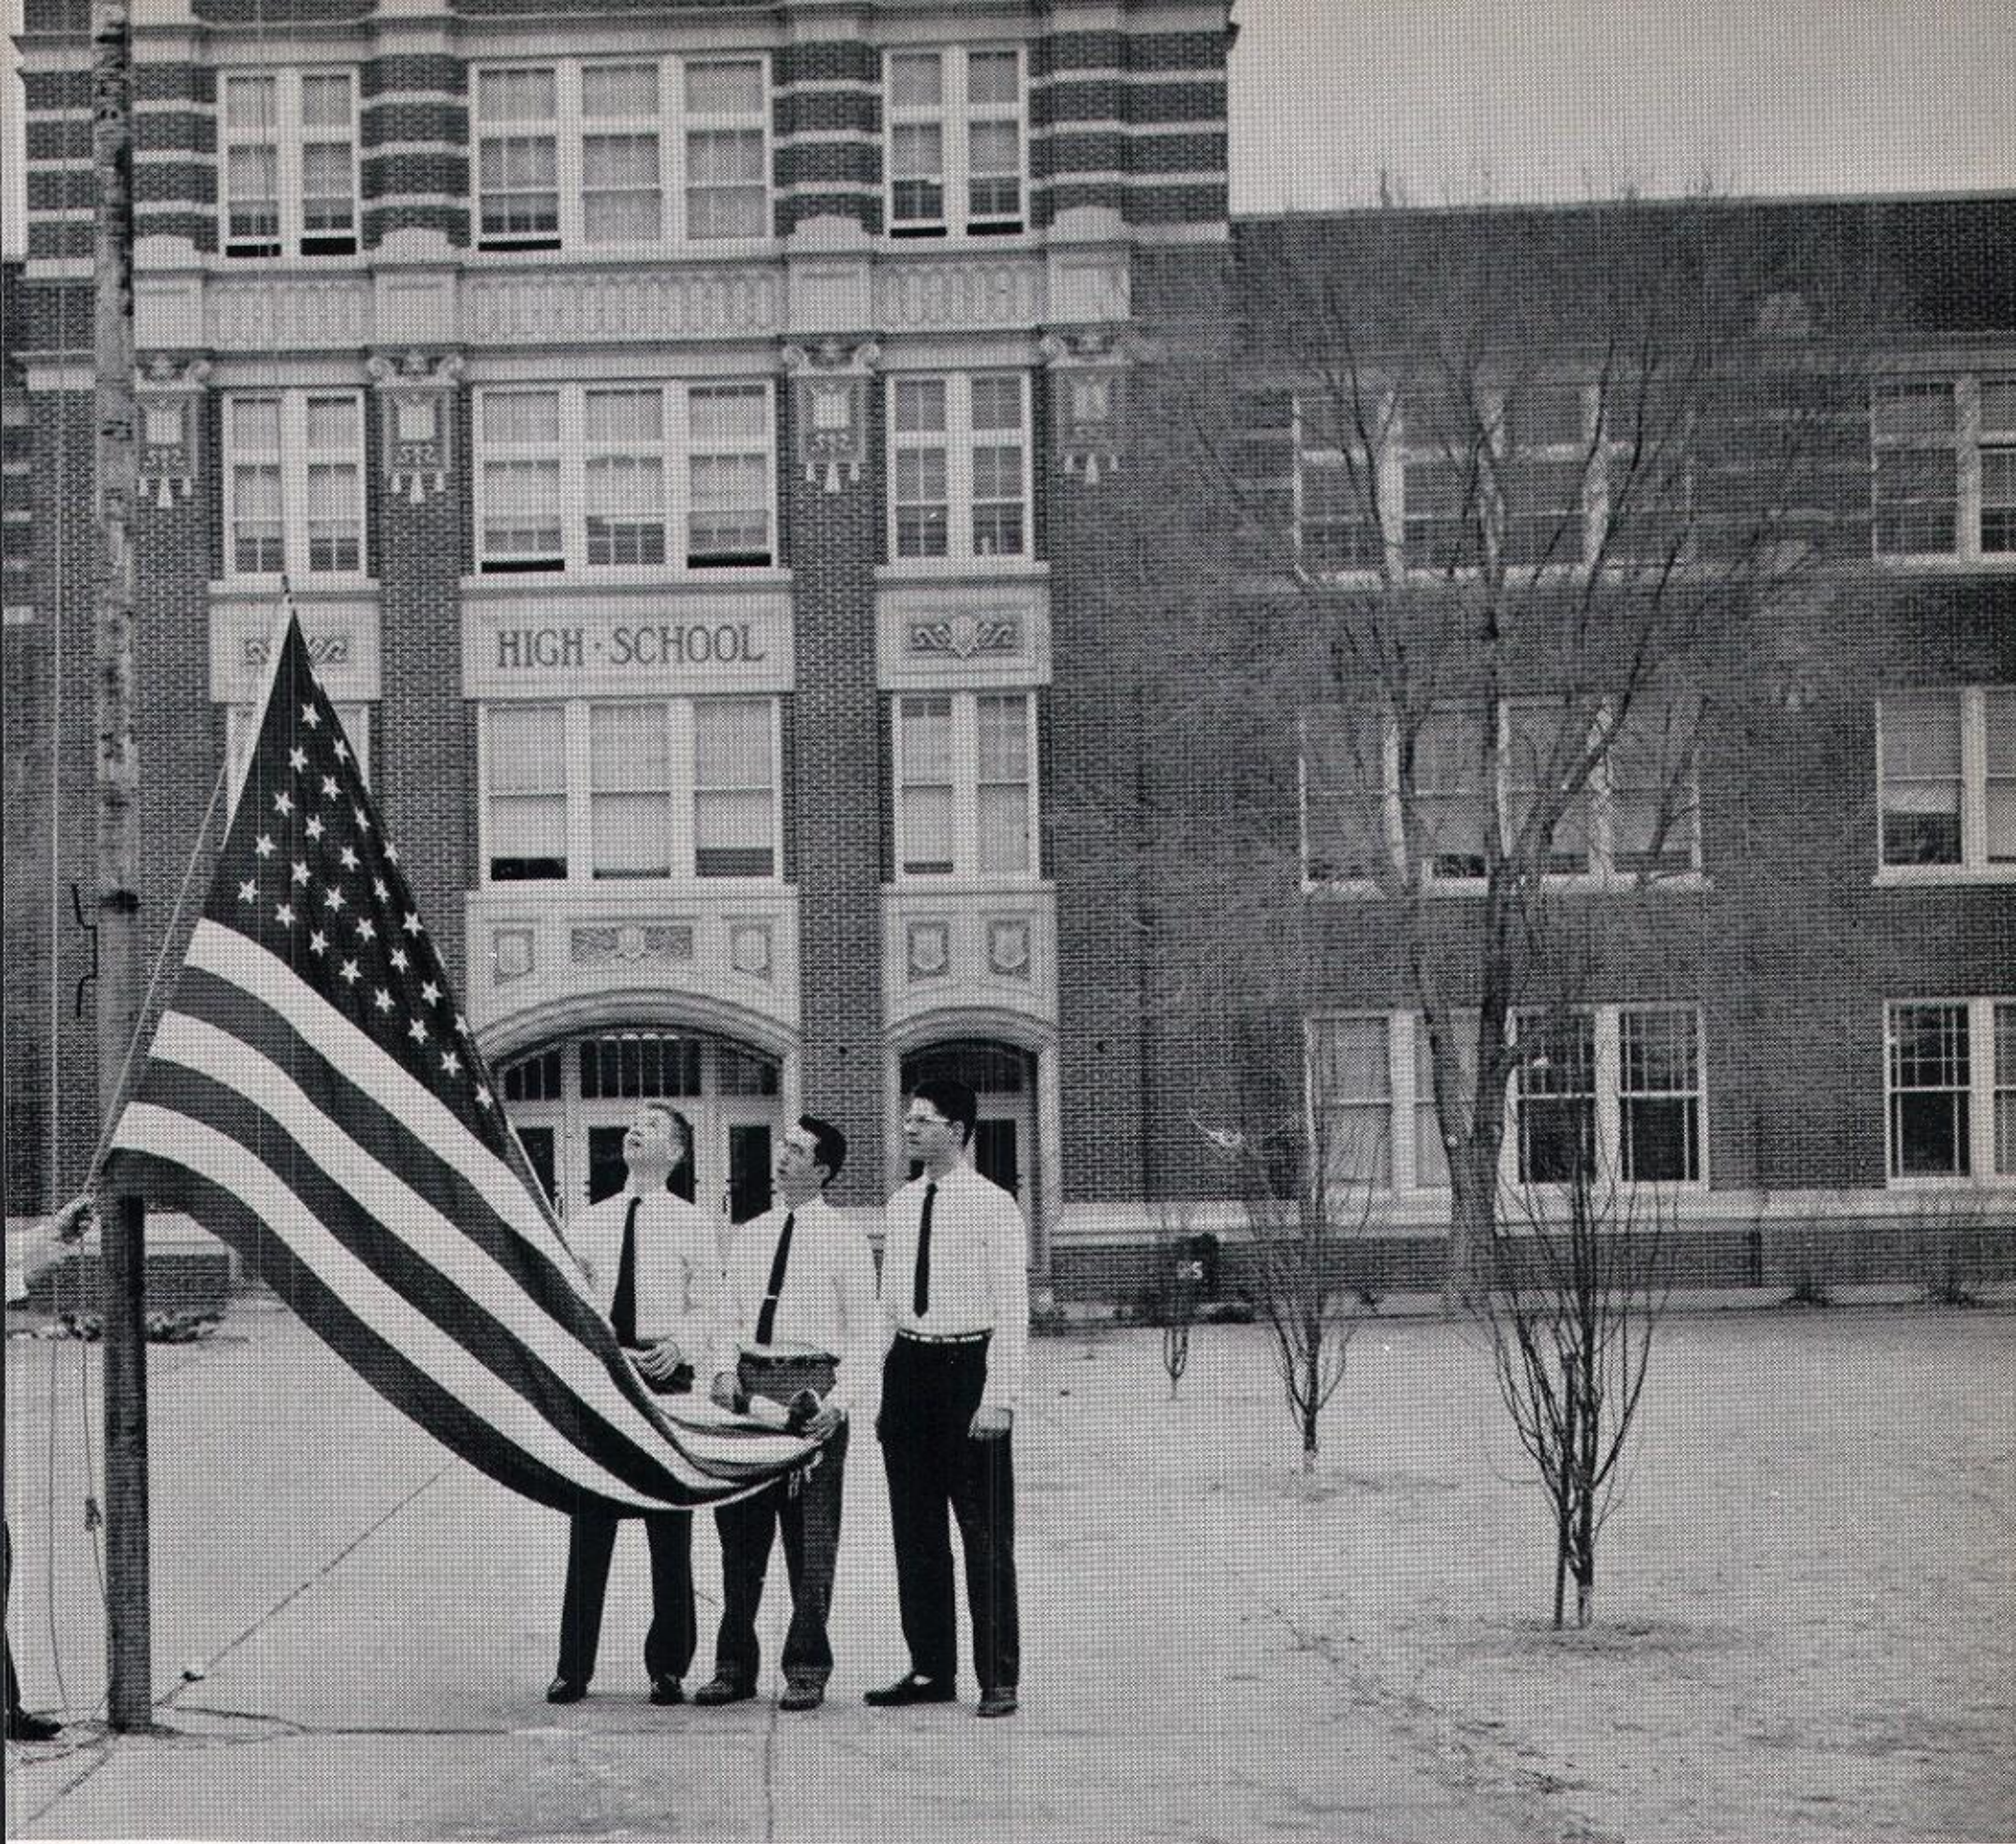

Head Usher Don Knaub and Student Council representative Marvin Towne fold programs before the performance in the auditorium. The head usher is chosen for his satisfactory work and the years he has served as an usher.

Nike Encourages Girls

"Life's Railway to Heaven," adapted from the hymn of the same name, was the theme of the Nike organization this year.

Projects of the club included Thanksgiving baskets to needy families, Christmas cards to Formosa, a Valentine party for the children at St. Joseph's Orphanage in Torrington, Wyo., helping during Teachers Convention and the Parent-Daughter Banquet.

The Valentine's Day party is an annual event. The girls play games with the children and then serve them chocolate milk and cookies. Each child is then presented with his or her own valentine.

Each Nike member has a secret pal from the beginning of the school year. Secret pals are revealed at the last meeting in May.

In order to be of service to the school, the information desk or Nike desk in the main hall is sponsored and maintained by the club. The girls also attended and were available to give directions and serve during the annual Teachers Convention held in Scottsbluff this year.

The Christmas cards which were brought by the girls were sent to lepers in Formosa. This, too, is an annual project sponsored by the club.

The girls attended many Business-Professional Women's meetings throughout the year.

All Nike sponsors are members of the BPW Club.

Key Club Position

The Key Club policy was changed somewhat this year when sophomores, who had attained a certain average, were asked to join after the semester break.

Projects of the club were sponsoring new book covers, maintaining the basketball roster board and the Nike-Key Club semi-formal, at which time the inter-club royalty was tapped.

Several boys attended the District Key Club Convention at Denver in March, and six boys attended the International Convention in Toronto, Canada, last July.

Skittens Girls Provide School Spirit

Will it or won't it? 'Round and 'round and 'round the basketball rides the edge of the hoop before finally falling to score two points for the Bearcat team. Backing the SHS basketball, wrestling, football and track teams are 200 pep club members who have spent many hours in practice.

to Support Bearcats

"We're behind the team. Fight! Fight!"

This is only one of the many chants and cheers which the SHS pep club is taught by the cheerleaders.

The club, which began practice in the first part of August, is made up of 200 girls.

Uniforms are white sweaters, red pleated skirts and red and white beanies with a white "S" emblem on them.

The goal of Skittens is to promote spirit, not only within the club, but also throughout the entire student body.

Pep club members back such athletic events as football, basketball, wrestling and track.

Many varied changes were made in the Skittens' constitution this winter. Such issues as voting, cheerleader tryouts and officer elections, as stated in the document, were revised.

The constitution revision was suggested by the Student Council for all SHS organizations.

Skittens sponsors Mrs. LaVonne Pieper, Miss Eileen Rocchio, Mr. Tom Mihane and Mrs. Jeanne Westervelt spend many after-school hours helping the pep club.

Skittens Secretary Susan Thomas and Treasurer Joanne Brown sell beanies to fellow officers Kay Otte, vice-president; Daughn Dalrymple, Student Council representative; Carolyn Sorensen, president, and Sandy Stewart, under-secretary. All Skittens members are required to wear the beanies.

Cheerleaders Guide Pep Club Through

"The team is in the huddle; the coach is at the head. They all got together and this is what they said..." Skittens members act out a skit for a pre-game pep rally.

Governing the Skittens organization are the officers and the executive board. The officers are elected in the spring of the preceding year and are announced at a club picnic. The executive board is elected at the beginning of the school year.

Two sophomores, two juniors, two seniors and two cheerleaders are elected by the members from their classes to represent the club on the executive board.

The six cheerleaders were elected by the student body in the spring of their junior year.

Any junior girl who has been in Skittens for two years is eligible to try out.

The Skittens' semi-formal was held in March, at which time the previously-elected royalty was presented.

Gary Rodgers was elected King, and Tony Popp and Larry Hartwig were his attendants.

New additions were made to the S Club this year. Among these additions were the new Big Ten pennants, the S Club banner and the club mascot.

The club brought the Hazel Walker basketball players to Scottsbluff to play the local merchant team. The money earned from this project will be used to film home football games.

Other activities during the school year were the initiation, the annual alumni tea, the S Club formal and the annual picnic.

Also, in co-ordination with the Key Club, the boys helped keep the school grounds clean.

S Club sponsors Mr. Wayne Binfield, Mr. Bill Conner, Mr. Leo Stangle, Mr. Jerry Hooper, Mr. Shelby Edwards and Mr. Bob Wilson assist the boys in all club projects.

National Honor Society Names Scholars

Twelve seniors were tapped for membership in the spring of their junior year by the members from the class preceding them.

To be eligible for this honor, a junior must be in the upper five per cent of his class. The number-one-rated student in the class is automatically the head of the organization for the next year.

Students who are in the upper fifteen per cent of their class in May of their senior year are also taken into the chapter.

Members of the society are usually recognized by the students, faculty and administration as outstanding in scholarship, leadership, service and character.

Those interested in being a part of the National Honor Society later in high school have to begin working for it early in their high school years.

NHS sponsors Mr. Kendall Massie and Mr. Paul Swanson help Delmar Coe evaluate several college bulletins.

Quill and Scroll Taps Top Journalists

A change was adapted within the Quill and Scroll organization this year.

In order to make it an active group instead of solely an honorary one, four juniors were announced as members, as well as seniors who had met the requirements.

Juniors in the top ten per cent of the beginning journalism classes were eligible.

Quill and Scroll, an international group, is made up of students who have done exceptional work in journalism.

The national organization requires that the person have shown outstanding ability in some phase of journalism.

Kay Pieper, Quill and Scroll scribe; Bonnie Benda, vice-chairman, and Bob Englund, chairman, add to the publications bulletin board. The positions are honorary.

Render Services to School, Community

Winning third place with its float in the Banner Day parade was one of the highlights of the year for the Teen Queen organization.

The club also contributed to many charities throughout the year. A Sock Hop was held, and the proceeds were contributed to the March of Dimes. Ten dollars was also sent to CARE from the members, and the girls helped collect money for the local Easter Seal committee.

Other services to the school and community were the annual Holy Week services, held in the auditorium every morning before school; bringing gifts for the Cosmopolitan Club members to give to underprivileged children at a Christmas party, and giving Thanksgiving baskets to needy families.

During the Christmas season, the girls caroled for the hospitals, rest homes and several individual homes.

The goal of the Teen Queen organization is to be of service to the school, the community, and the world.

Their purpose is to create, maintain and extend throughout SHS and the community, high standards of Christian character.

Four Hi-Y boys attended the Officers Training Camp in Estes, Colorado, and seven boys attended the Hi-Y Model Legislature in Lincoln, Nebraska.

In November a car wash was held in order to earn enough funds to enable the boys to attend the sessions.

Another project of the Hi-Y club this year was selling candy after school.

Another new addition was bowling, which was done on Monday evenings at a local bowling alley.

The girls played the teachers in volleyball and had a "play day" with Ger-ing and Alliance.

Sports participated in by the club were volleyball, basketball, bowling, track, tennis and softball.

A party was held for the girls in the spring.

GAA's goal is to encourage more girls to take part in athletics, to develop spirit of fair play, sportsmanship and to provide interesting and wholesome recreational activity for girls.

Miss Elaine James shows Sandra Peppler the position her hands should be in before she lets the ball go. The GAA girls spent Monday evenings bowling.

During Second Year

Almost doubling the membership in its second year at SHS was a highlight for the FTA organization.

Meeting once a month, the club had various speakers, films and panel discussions, in order to debate the pros and cons of being a teacher.

Superintendent Lauren Schwisow, after returning from Russia, spoke on "What a Superintendent Looks for When Hiring a Teacher." Vice-Principal Mihane spoke on "Choosing a College."

Panel discussions on a teacher's life outside of school and reasons for being a teacher were also held. Teachers were asked to serve on the panels.

The club sponsored a cadet teaching program where students taught for one day in a subject and age group in which they felt they would be teaching after college.

"Toward New Horizons" is the goal to which the Future Homemakers of America strive.

Girls from the club attended the District FHA Convention, the state convention and the Kearney workshop.

Service projects which they took part in were United Nations Day, caroling at the hospitals and rest homes, Christmas presents to needy children, Thanksgiving baskets to area families and collecting clothes for Bundle Days.

A style show was presented for the people of Scottsbluff and a Mother-Daughter Tea was given.

Delegates to the state convention this year were chosen on the basis of a newly established point system, instead of whether or not they had their first degrees.

The purpose of FHA is to promote a growing appreciation of the joys, satisfaction and importance of homemaking.

FFA projects throughout the year are divided into seven divisions. They are supervised farming, co-operative activities, leadership activities, earnings and savings, scholarship, recreation and community services.

All activities of the school year fit into one of these divisions.

The boys toured farms in the area and studied many problems concerned with farming. Safety was stressed heavily by the boys, and they practiced it at home as well as at school. They tested seed and soil and sprayed crops with approved material.

A formal initiation was held for greenhorns and chapter farmers.

The boys sold lightbulbs in order to earn money for the chapter.

Awards were given to outstanding scholastic members after their grades and achievements were reviewed by a committee.

A Cappella Choir spends many hours preparing its musical entertainment.

A Cappella Choir started the year by entertaining the District Six Teachers Convention. The second concert was during the Thanksgiving season, given for the student body in an afternoon performance and in the evening for the public. "Christmas in Song" was the choir's annual Christmas evening concert.

After Christmas the choir began preparing for the Alliance-Scottsbluff Music Clinic which was held Feb. 8 and 9. This was the tenth annual program and was under the direction of Mr. Morris Hayes, who inaugurated the first vocal festival at SHS. He was an instructor here from 1948 to 1953 and is presently a music director at Kansas State.

Several students attended the State Music Clinic at Lincoln. Those who attended were Georgia Whitman, Eula Jones, Alta Schmitt, Kathy Campbell, Bonnie Benda, Dave Smith, Wilmer Kirschman and Delmar Coe.

Younger Vocalists

Bearcat Chorale is one of the smaller vocal music groups. It is a newly organized group, but it has participated in several concerts throughout the year.

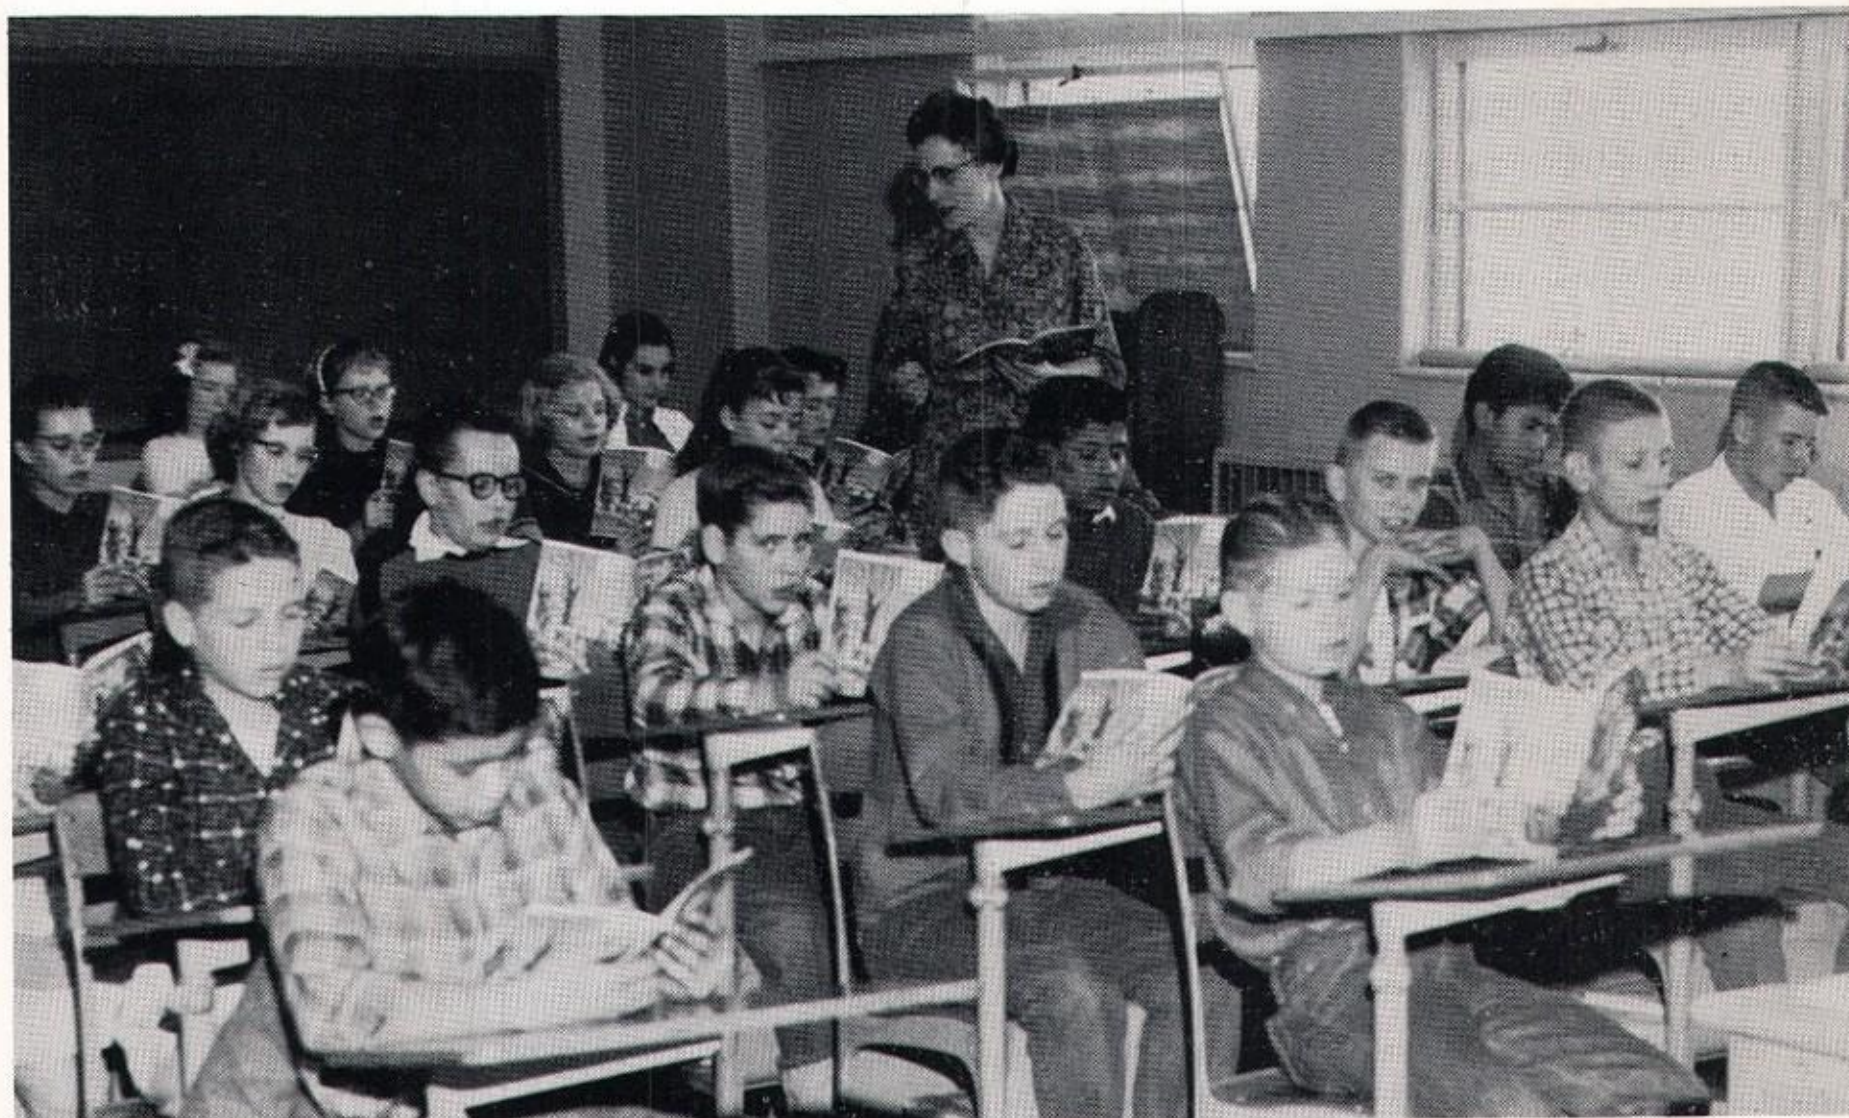

The junior high music classes did many things to help prepare them for high school music groups. These young people, with the help of Mrs. Lucille Fuehrer, have spent many enjoyable hours singing. After finishing the years of junior high music, each student awaits the day he may participate in an advanced choir.

One of the main duties of orchestra is to play for the operetta. This provides the students with a different type of entertainment as well as providing the vocalists an opportunity to work with an orchestra.

The smaller group of orchestra, the string quartet, has provided entertainment for many community functions. Members are Jo Ann Rogers, viola; Karon Loos, violin; Judy Van Winkle, violin; Sandy Steffen, piano, and Mrs. Shirlee Purtzer, cello.

A Band began the year preparing its half-time performances. These were carried out a little differently this year. Each performance was a short routine that required audience participation. During football season, the band traveled to Kearney for the Scottsbluff-Kearney game.

After football season, the next project was the annual Amuse-A-Rama. This was presented to students in an afternoon performance and to the public in the evening. Senior Dennis Pugsley was M.C. and gave several skits with the help of Gene Buglewicz, Jim Baker and Bob Doering. Edee Ross, Blaine Spurgeon and Brad Besaw presented two dance numbers. There were several other novelty numbers, including Brent Besaw with "Honky Tonk Piano"; a trombone quintet and an accordion solo, "Squeeze Play," by Donna Collamore.

One of the band's major duties is playing for basketball games.

Band Clinic was held Feb. 22 and 23.

The rest of the fall was spent preparing for the winter concert, which was presented in March. Dick Nazarenus, student director, led the band at the reserve basketball games.

Brad Besaw, A Band's drum major, had an exceptionally busy year. His main duty was to lead the band in the various parades and at the half-time performances.

The student directors for the three bands this year were Dick Nazarenus, A and B Bands, and Jan Grubbs, C Band. Karon Loos was orchestra assistant.

Several students traveled to Lincoln to attend the annual State Music Clinic.

Bearcats Build 21-Game Winning Streak

Winning 10 of 11 games and building a 21-game two-year winning streak, the Bearcat Big Ten champs roared through another gridiron season.

The 'Cats had a rugged schedule this year, including such out-of-state teams as Cody and Laramie, Wyo., and Rapid City, S. Dak.

In their first game of the year, the Bearcats were aided by a freak Cody off-bench tackle, which constituted an automatic touchdown to boost the 'Cats out front for a 21-19 victory.

SHS gridders, behind Rapid City, 14-0, retaliated in a brilliant air game to override an effective Cobbler defense for a 33-27 win. Sid Micek, star quarterback, completed seven of thirteen passes for four successive touchdowns.

A fired-up Laramie squad and cold weather were the two factors that played against the Bearcat team in their only loss of the year. The two 'Cat tallies were made by halfback Larry Hartwig and end Galen Schwaner as the Wyoming team won, 20-12.

Homecoming brought forth the most challenging game of the year for the players—the Omaha South tangle. Early in the first quarter SHS's Micek suffered an ankle injury, but the team forged on to down the Packers, 27-20. Tim Carleton, 'Cat fullback, led the team with 167 net rushing yards.

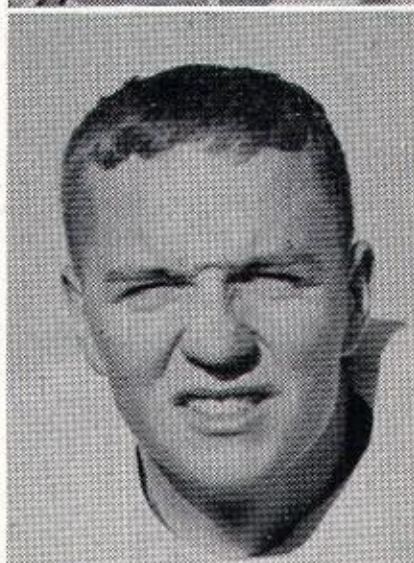

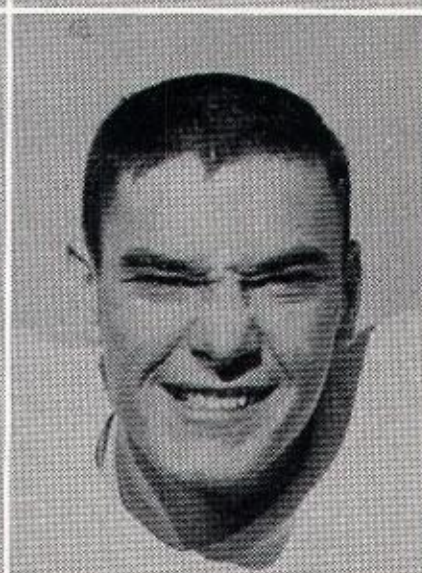

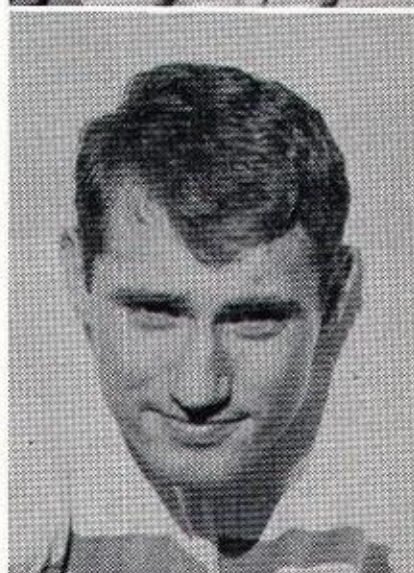

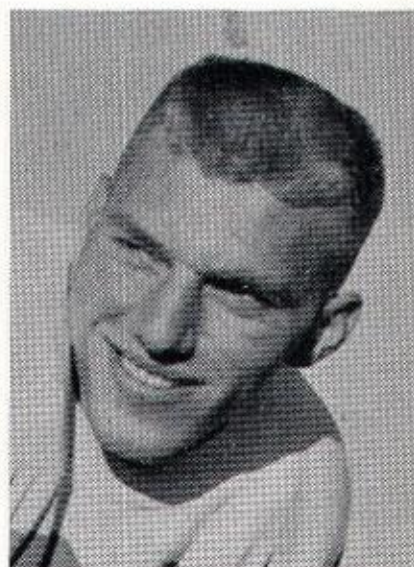

The 'Cats stomped over Grand Island, 6-0, and Sidney, 35-13, in two non-conference games. Halfback Dick Fabricus made the only touchdown in the Island tilt. Scottsbluff Coach Bill Conner substituted freely in the Sidney game to give second stringers a chance at the ball.

Downing conference teams North Platte, 28-6; McCook, 19-7; Alliance, 26-19, and Kearney, 18-12, appeared almost routine in the Bearcats' march to the Big Ten Championship. North Platte gained its only tally with 2:18 left against 'Cat alternates. In zero degree weather against Alliance the Connermen came from a 19-13 deficit to win the West Big Ten Championship.

With Tim Carleton's last-minute touchdown and Sid Micek's extra point, the Cherry and White cinched the Big Ten Championship, 14-13, against East Big Ten champ Norfolk. It was the 'Cats' third straight crown and the fifth win in the fifteen-year-old conference.

Sid Micek and Galen Schwaner were named to the Associated Press all-state team. Sid was also listed all-stater by the Omaha World-Herald and the Scottsbluff Star-Herald. The Lincoln Journal and Star listed Micek as Class A all-state, with Schwaner and Don Alldredge honorable mentions. The West Big Ten Coaches selected Micek, Alldredge, Schwaner and Fred Barfoot as West Big Ten players, with Bill Popp and Steve Burbach as honorable mentions.

The Star-Herald chose Barfoot, Micek, Alldredge and Schwaner for West Big Ten honors.

Successful Basketball Record Prevails

During Brown's Tenth Varsity Season

Coached by Warren Brown for the tenth consecutive year, the Scottsbluff Bearcats came through the court season with a 9-7 record, coming within a few points of competing in the Big Ten Championship playoff.

With lettermen Larry Hartwig out with a knee injury and Galen Schwaner playing with a sore muscle, the 'Cats tasted defeat in their first outing of the season, played against Cheyenne, 56-44. In the season finale, the 'Cats again fell to the Indians, 76-50.

Dick Fabricus' free throw in the final 55 seconds of play cinched the game for Scottsbluff, 55-53, in the first of two against traditional rival Boys Town. The next evening the SHS squad wasn't so lucky, losing to the Omaha team, 47-41.

Schwaner, star pointmaker for the Bluffs, chalked up 31 against Kearney to come within six points of the divisional record set by Bill Comstock last season. The Bearcats trounced the Kearney squad, 64-41.

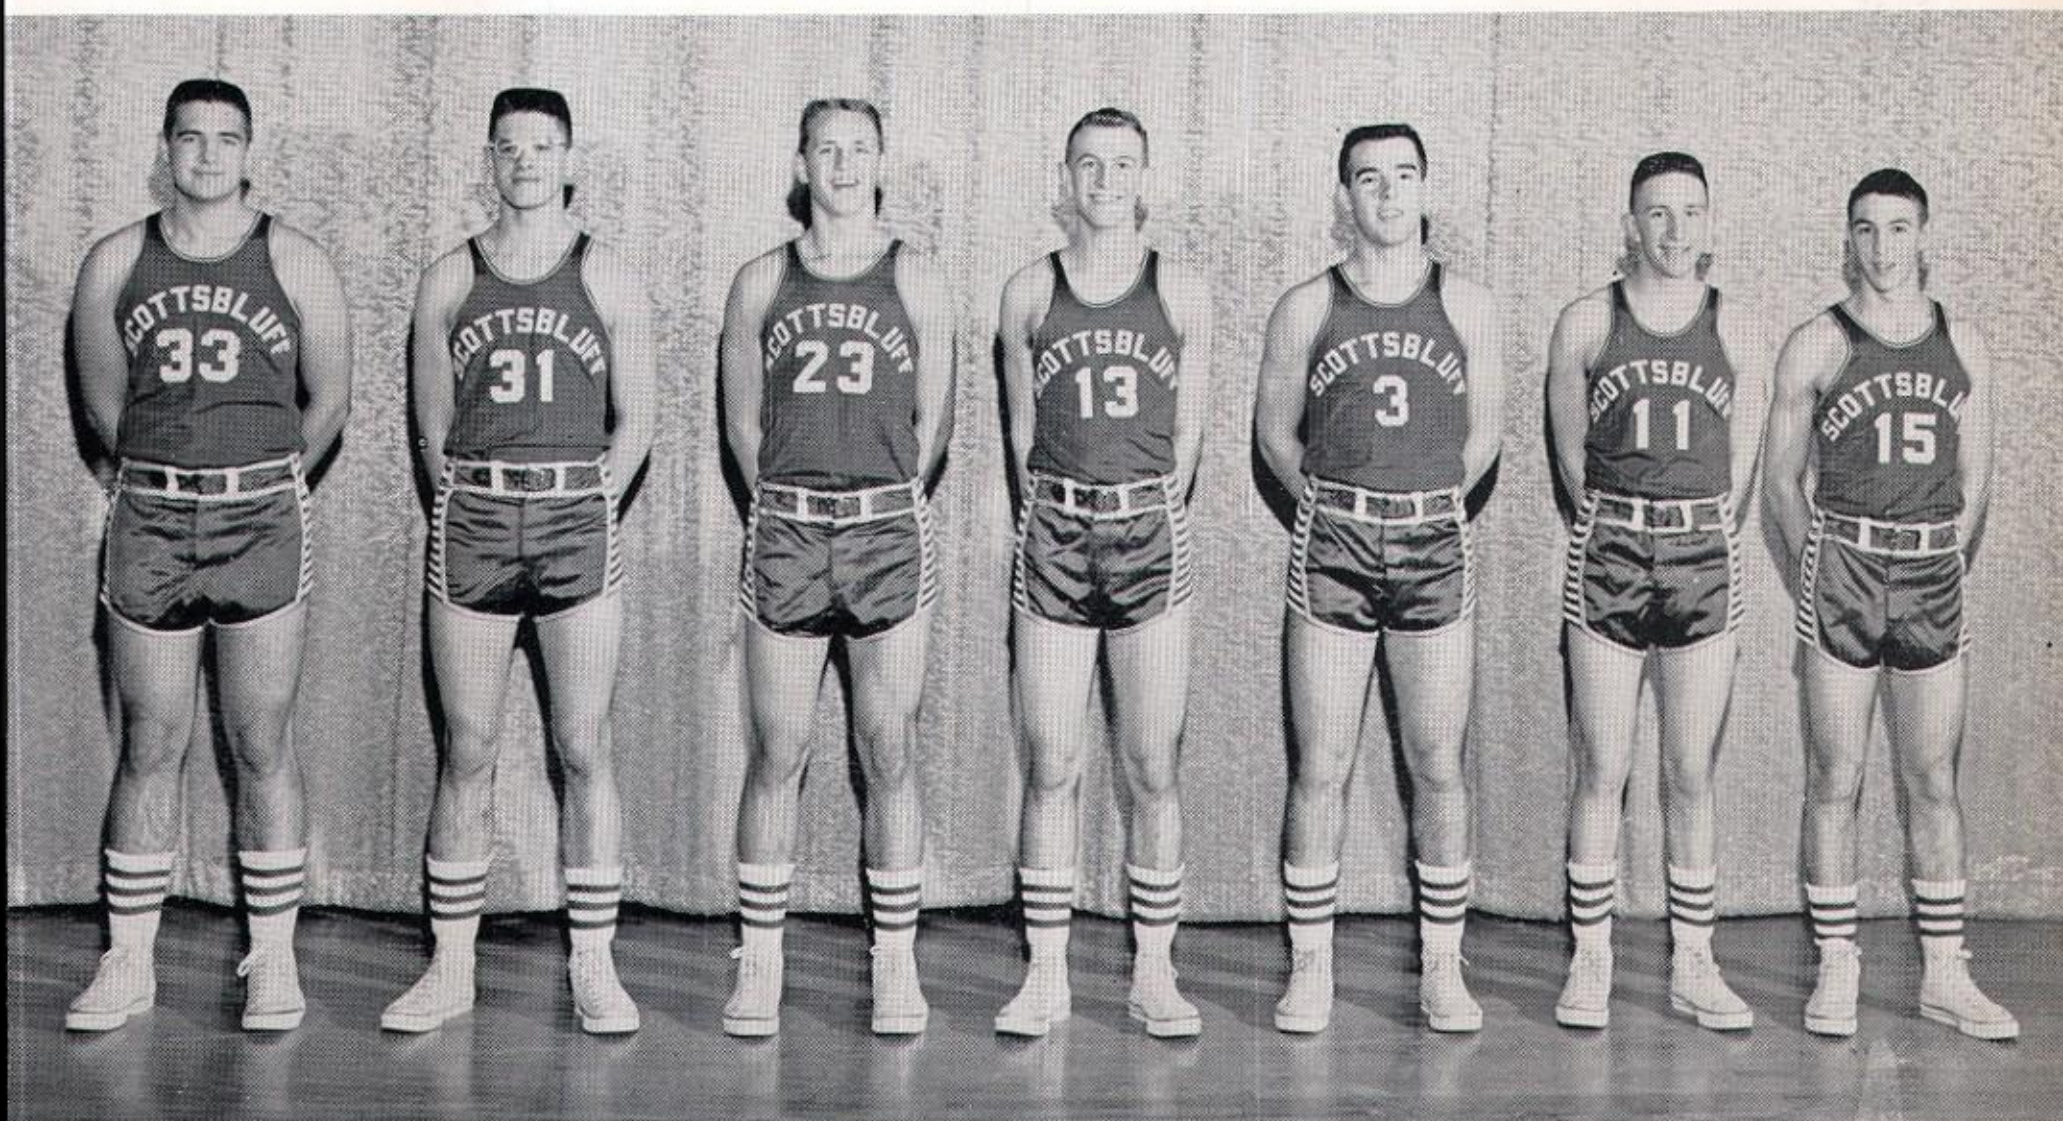

In a second tilt, Scottsbluff trampled the eastern team, 62-54, with Kearney keeping a slight margin over the 'Bluff team until late in the second period.

The McCook Bison romped over Coach Brown's team twice during the season, knocking the Bearcats down in Big Ten ratings throughout the state by smothering them, 53-46. In a second game, the Bison stamped out the Bluffites' final chance to compete for the Big Ten title by downing them, 68-66.

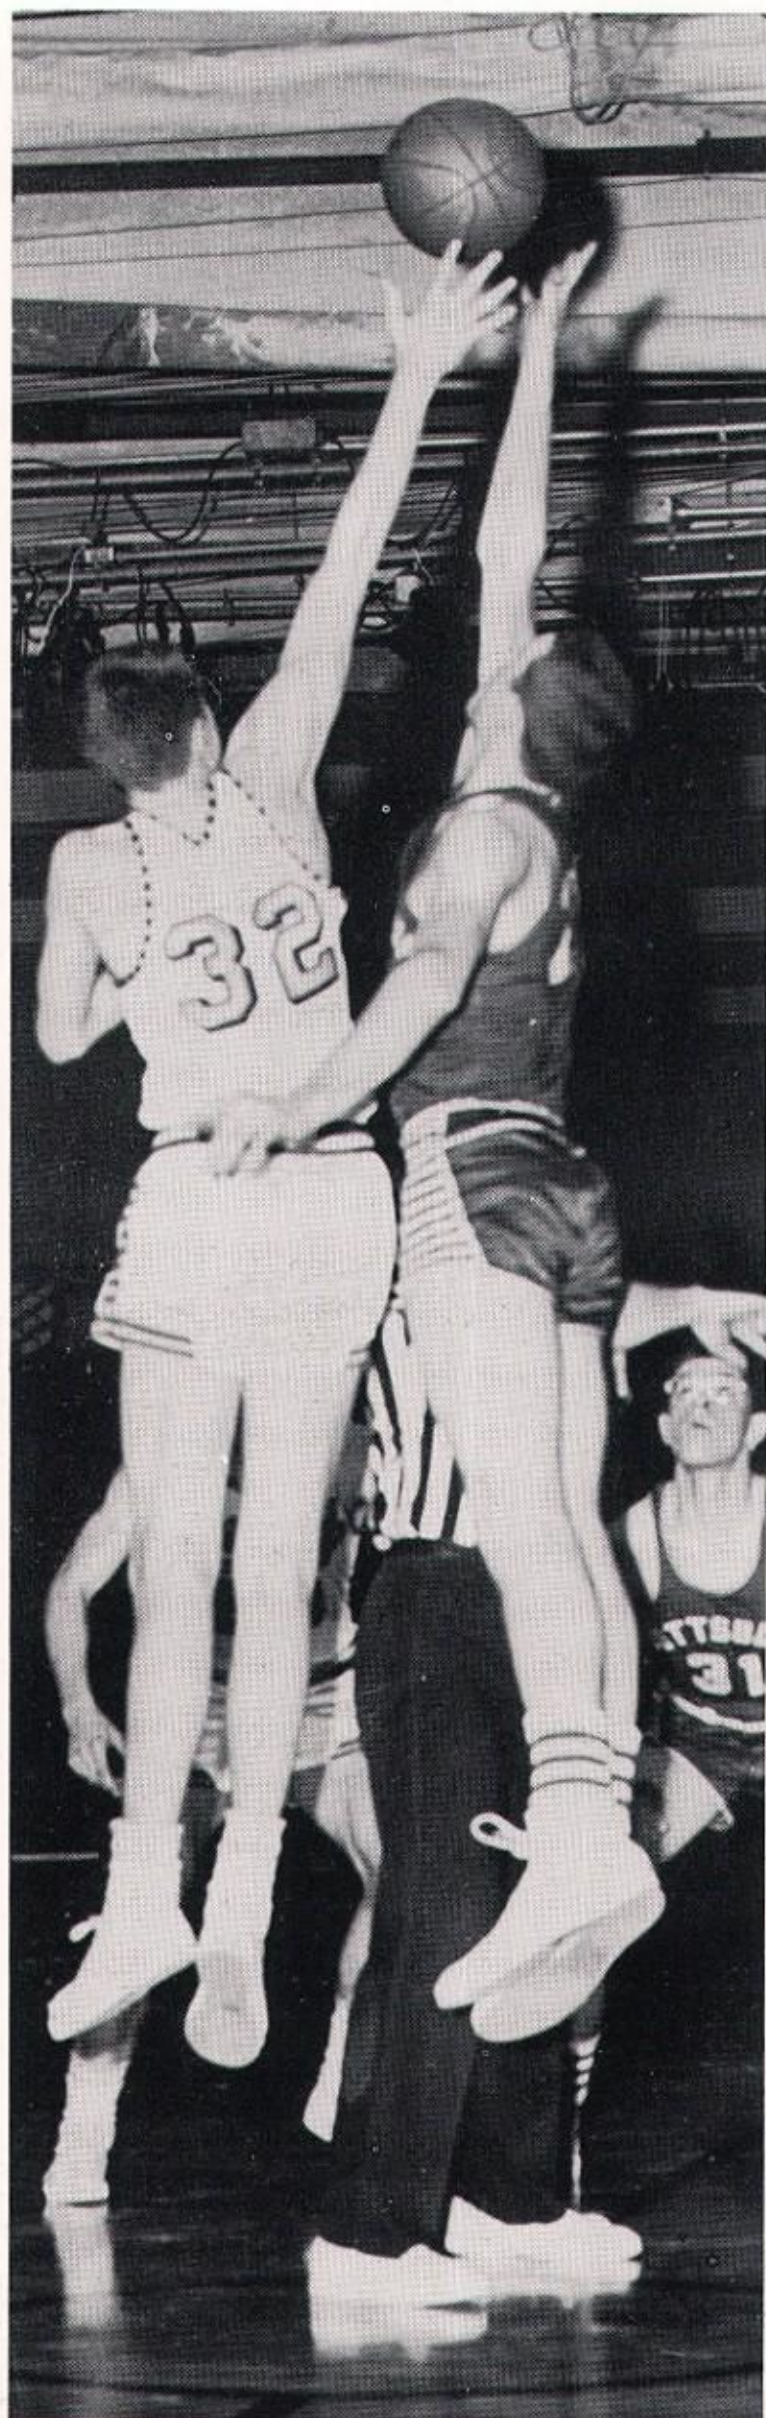

Coach Warren Brown springs from the bench to protest an official's decision.

North Platte and Scottsbluff split the two games they had scheduled this season. The Platters took the first game, 73-55; the Bearcats took winning honors in the second game, 67-53.

With excellent teamwork and ability, Schwaner and Hartwig aided the SHS cagers to slip by Alliance, 68-66, in one of the most thrilling outings of the year. The lead changed hands eight times in the second half, but the Bulldogs couldn't suppress the 'Cats' "want to win."

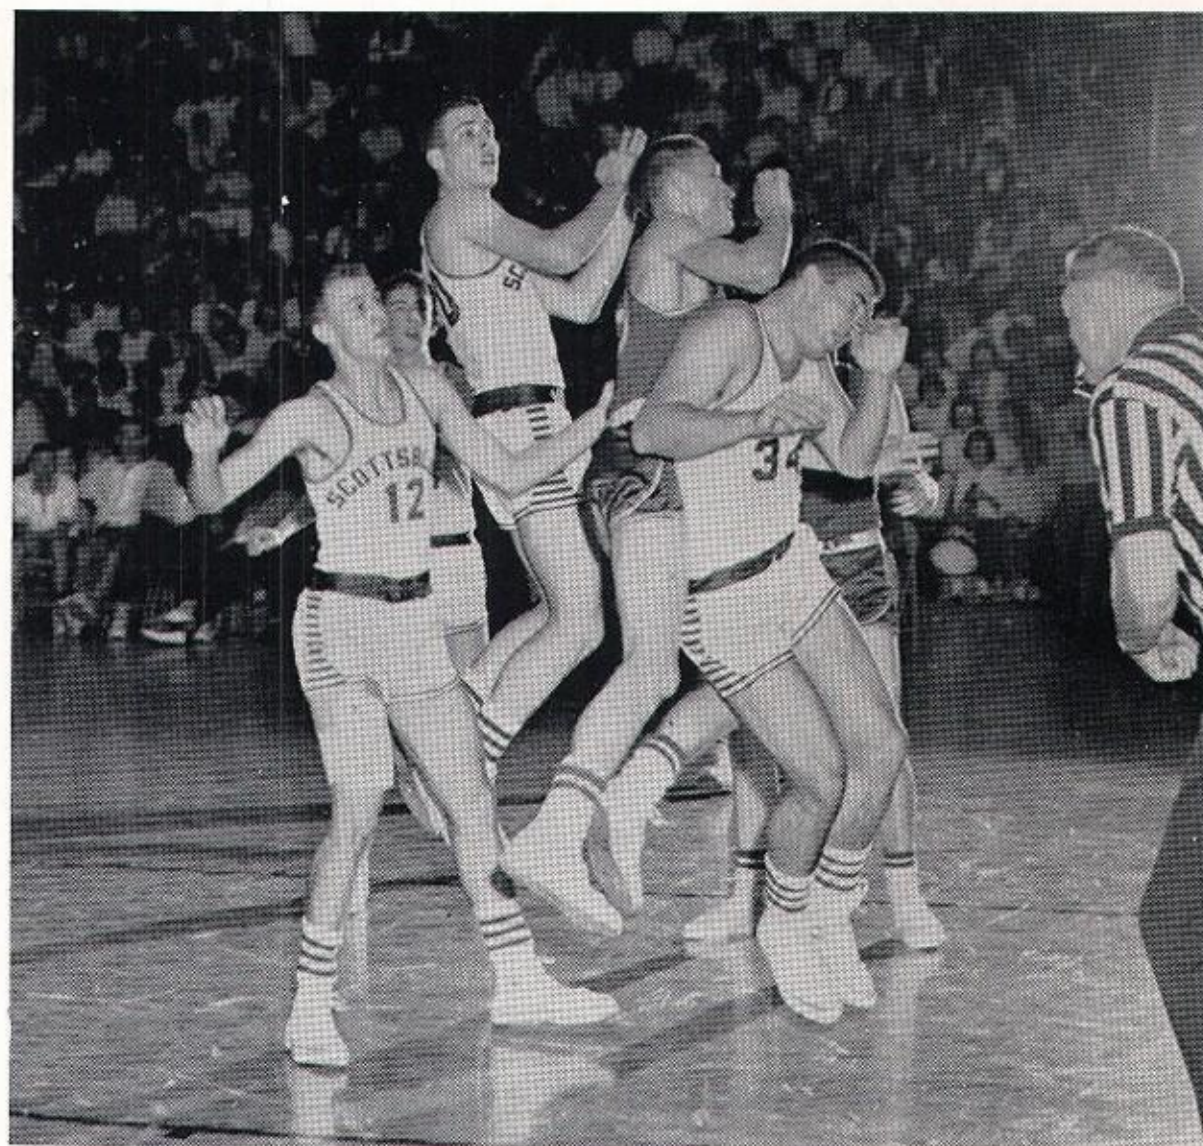

In the second game, the reverse of the first game took place. The Bulldogs, backed up by Jim Kettelhut's four straight tallies in the last period, brought Alliance ahead, 53-51.

The Gering Bulldogs, cross-the-river rivals, were beaten by the Bearcat cagers twice in regular season play, 68-48 and 72-57. The Bulldog squad, keyed up for both tilts, tried hard to win but lacked the experience and defensive ability to down the Bearcats.

In two non-conference games, Coach Brown's players came out on top. The 'Cats defeated Ogallala, 70-61, before an excited crowd. It was the first time the Indians were beaten on their home court since 1956.

Sidney suffered a 69-61 loss at the hands of the Bearcats during the latter part of seasonal competition.

Memories . . .

Activities, class work and social highlights are only a part of the memories that linger with us at the close of another year at SHS. The Bluff staff hopes this copy of the 1959-60 book will keep alive these thoughts—"These things we will remember"—as the ensuing years move by.

Jerry

Well another ^(School) year is just about over with again, my it just doesn't seem possible ~~does~~ it. We weren't in very many classes together, just one, Good old Bearcat Chorale. I sure hope we can get to be in some more again next year.

I am looking forward to this summer and the loads of fun we can have. I sure hope we can get jobs at the high school this summer, too.

I hope our friendship will last forever, because there is no finer treasure than friendship. Every time you read this page, here in the "60" Bluff, remember the fun-packed year that we have had. Well the page has just about ran out and I had better stop writing for now.

Alliance Cagers Ace Bearcats Out o

Scottsbluff's varsity cagers suffered a heartbreaking 44-43 loss and were aced out of a berth in the state tournament in the last game of the district playoff against the Alliance Bulldogs.

Leading the first three quarters, the 'Cats entered the final period ahead, 36-31.

In the last minute of play, the Bulldogs' Tom Romick scored a basket to put Alliance out front, 42-41. SHS's Sid Micek drove down court to place the 'Bluffs again in command. Bulldogger Ray Hesse then grabbed a rebound and sunk the decisive basket.

Junior Jim Walter led the Scottsbluff scoring list with 22 points.

In the first game of the tourney, the Scottsbluff basketballers defeated Sidney, 60-53.

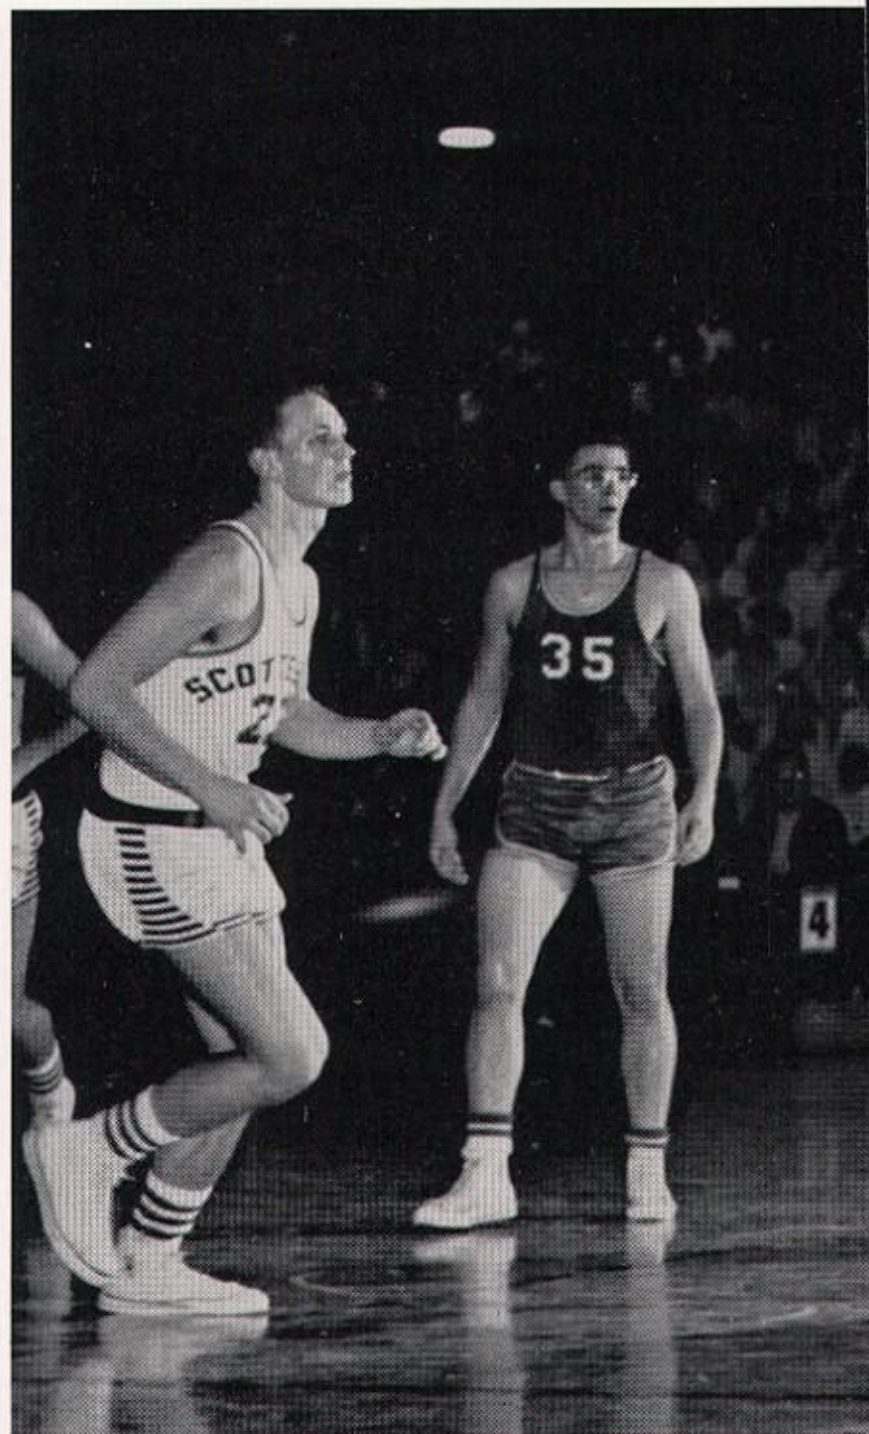

The 'Cats trailed the Maroons, 14-12, at the end of the first period. The teams were tied at the intermission, and the 'Bluffs forged on to victory during the last half.

Galen Schwaner, senior, chalked up 20 points, and Walter followed with 17.

Schwaner was named to the Scottsbluff Star Herald's all-state team and was all-state honorable mention in the Lincoln Star and Journal and Omaha World-Herald.

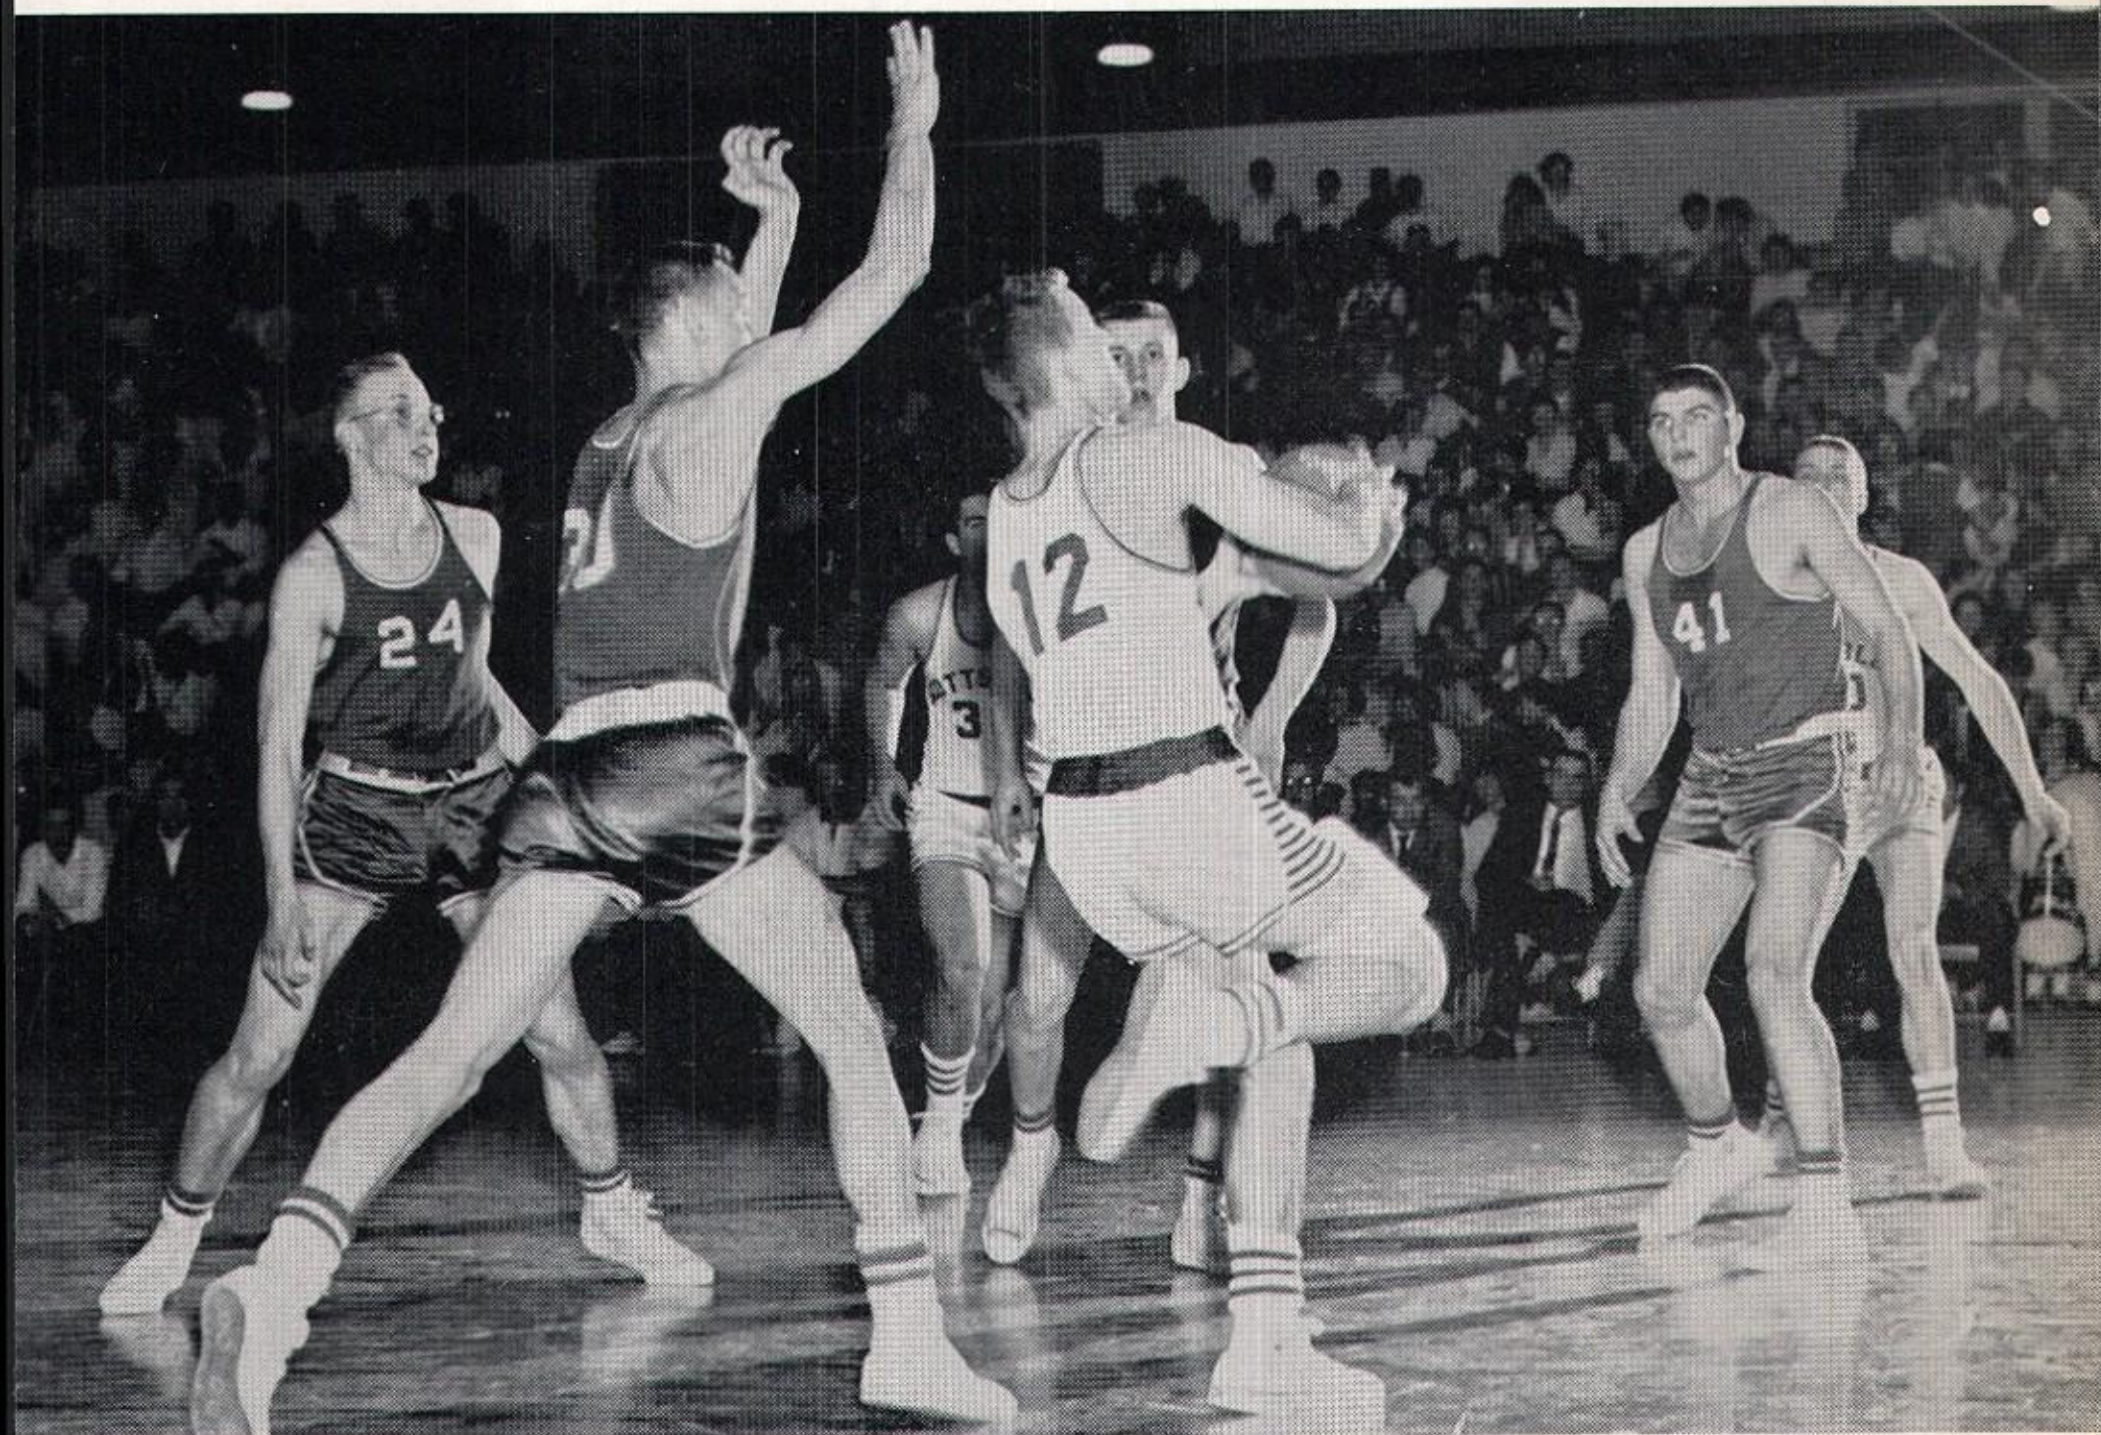

Falling to Gering for the third straight time in the season, the SHS reserves were downed, 53-50, in the Gering Invitational reserve basketball tournament.

Finale Evident as Pep Leaders Tapped

Skittens members held their annual semi-formal in March and at that time presented their royalty with basketballs and footballs, according to the individual's preference. The dance was held at the YMCA.

At the potluck picnic, held at Pioneer Park, the Skittens officers for next year were presented and the newly elected cheerleaders gave a cheer. Old cheerleaders were also asked to give their last cheer.

These few activities closed the year for the pep club. They will begin practice for next year's athletic events in August.

Nelson Highlights 'Connecticut Yankee'

"This throne must go!" says Hank (not pictured) to a shocked audience of Medieval characters: Sid Harper, Dennis Krausnick, Steve Cassells, Dick Nazare-nus, Gary Nosker, Jane Miller, Brad Besaw.

"Oh, so you're a page, huh? What page?" says Larry Nelson (Hank) to Gary Nosker(Clarence).

"A Connecticut Yankee in King Arthur's Court," the Thespian-Junior Class play, was staged February 10-11 in the high school auditorium.

"Connecticut Yankee" is the story of an American engineering student (Larry Nelson) who is accidentally shocked by high-powered radio equipment. While in a state of coma he dreams he is in the court of King Arthur (Larry Kinley).

King Arthur's wife (Pat Hamon) thinks the young American is a sorcerer, and along with Merlin (John Reiser), the court magician, she plans to burn him at the stake. The American informs the queen that if his life is taken he will use his magic to put out the sun forever.

Working his way out of many difficult situations during his imaginary stay at the castle, he finally becomes ruler of the court and sets up a tight system of monarchy which ends when he awakens and finds himself home in Connecticut with his mother (Carolyn Sorensen) and sister (Anne Campbell).

"Well, you just better make sure that team's in shape for next week's football game!" Larry Nelson(Hank) talks to "factory 5" with Susie Everett(Sandy).

Members of the council appear to be enjoying themselves at the annual Student Council picnic. Both old and new members attended.

President of next year's Student Council, Deanna Bleyle, discusses future plans of the council with sponsor Mrs. Muehlberger and Vice-President John Ramsey. Deanna and John succeeded Gary Harris and Lorraine Harris.

"Fool's Folly" Ends Student Council's Year

"Fool's Folly," the all-school dance sponsored by Student Council, served as the council's final project of the year. Jail, telegraph, marriage and basketball booths were maintained. A king and queen of fools were also crowned.

Over 25 old and new Stuco members attended the District Student Council Convention at Bridgeport this spring. This was the first district convention to be held in this area.

The Student Council brochure, another project of the council, will be published at the beginning of the next school year. This brochure contains information of the school.

An assembly was held for the purpose of hearing the campaign speeches for Stuco offices and other class offices.

Ron Plaster (the villain) and Bonnie Benda (the comedian) wait eagerly to sell tickets to the nightly performance of the "Show Boat."

The operetta "Show Boat" is the story of the show boat Cotton Blossom and its people. The story deals with the players of the Cotton Blossom and their respective lives. Steve Baker (Gary Graham) and his wife Julie Lavern (Linda Weisberber) are the stars of the show boat. They are forced to leave by a river rat, Pete (Jim Zier), when he says that Julie is part Negro and is married to a white man. Captain Andy Hawks' (Dave Smith) daughter Magnolia (Kathy Campbell) is given a chance for the starring role opposite a stranger, Ravenal (Wilmer Kirschman). Ravenal and Magnolia fall in love and are married much against Magnolia's mother's (Sharon Huston) wishes. They leave the show boat and finally go broke so Ravenal leaves Magnolia and their daughter, (Susan Everett). Magnolia has to find work and is helped by two friends (Bonnie Benda and Ron Plaster) from the show boat. She applies for a job where Julie is working, and again Julie quits and Magnolia is given the job. It ends years later when Magnolia and Ravenal are reunited at the show boat.

As a grand finale for the year 1959-1960, the juniors presented one of the "best ever" proms. The theme, "Red Sails in the Sunset," was carried out by a red crepe paper ship. Sophomore girls, dressed in sailor suits and grass skirts, handed out programs and served drinks. The orchestra pit was a combination of grass, rocks, flowers, logs and a triple leveled waterfall.

Nearly three hundred juniors and seniors attended the banquet held prior to the prom. Swiss steak, mashed potatoes, corn, combination salad, rolls, strawberry shortcake, coffee and milk were served by the juniors' fathers. Larry Nelson acted as master of ceremonies, with Mr. Harold Reeves, Mr. Tom Mihane, Mr. R. J. Roberts, Deanna Bleyle and Larry Reisig as featured speakers for this end-of-the-year function.

Juniors work on nutcups to carry out the theme of the banquet.

SHS Graduating Class

Seniors ended their year with events of graduation, which included Vesper Services, the Senior Breakfast, Class Day and the finale—Commencement.

Vesper Services were held Sunday, May 22. The sermon was delivered by the Reverend Clyde King.

The Senior Breakfast was held on Wednesday, May 25, at 7:30 a.m. Short speeches were given by Tom Mihane, vice-principal, and Harold Reeves, principal. Judy Bullock did her rendition of the Charleston.

Class day began with the marching in of the classes. The sad part of this event was the changing of the classes when the seniors marched out to have the juniors take their places.

Those heading the class of 1960 were Bonnie Benda and Sumner Hunt, co-valedictorians, and Delmar Coe, salutatorian. The theme of Commencement was carried out in the speeches presented by two-year Honor Society members. They were Shirley Randall, Sumner Hunt, Bonnie Benda, Lyna Travelute and Susan Stewart. The Invocation and Benediction were given by Lorna and Sharon Olson, respectively. Gary Harris led the audience in the Pledge of Allegiance along with the explanation of the theme.

"The Land of Hope and Glory" was in clear sight as each senior marched across the stage to receive his diploma. High school was over, but life was just beginning.
